## National Merit Scholars Announced

### FOUR SENIOR BOYS SCORE HIGH ON THE MERIT SCHOLARSHIP TEST

Principal Harold Moody announced on September 27 that four of the school's students have been given recognition for their achievement in the initial stage of the seventh annual National Merit Scholarship competition.

He said the students were named semi-finalists in the 1961-62 program as a result of their outstanding performance on the N.M.S. Qualifying Test. They are Greg Garmong, Dick Gruechler, Howard Hershey, and Alton Lundgren.

The semi-finalist group is composed of the highest scoring students in each state and in the U.S. Territories. Each semi-finalist now moves a step closer to winning a four-year scholarship to the college of his choice. They will take another rigorous examination, the three-hour Scholastic Aptitude Test of the College Entrance Examination Board, to be given in testing centers throughout the nation on December 2, 1961.

Students whose scores on the second test substantiate their performance on the qualifying test and are endorsed by their high schools will become finalists in the competition. In past years, more than 97 per cent of the semi-finalists have become finalists. Those receive a Certificate of Merit in recognition of their performance.

As finalists, students are eligible for scholarship awards sponsored by about 130 groups, individuals, and by the N.M.S. Corporation itself. Names of semi-finalists are sent to all accredited colleges and universities and other financial aid sources.

### Special Television Teaches Students

This year three special television sets have been installed in the Senior High School, one in the cafeteria, one in the library and one in the chemistry class. They will not replace the teacher but will aid as a teaching-learning factor.

This program is experimental not only in Hobart, but in many, many Mid-Western high schools and elementary schools. The programs are televised over channels 72 and 6 of airborne television from Purdue University on Monday, Tuesday, Wednesday, and Thursday.

Miss Stewart, Mrs. Cox, Mr. Edgrist, and Mr. Scarborough are all participating in this program the first semester.

Students of Mr. Heintzelman's journalism classes will attend a journalism seminar at Valparaiso University, Valparaiso, Ind., on Saturday, April 22.

Members of these classes attending the seminar at Valpo will participate in 42 newspaper, yearbook, and photography classes

for high school students from throughout Northern Indiana.

Mr. Heintzelman, Hobart's publication's adviser and Lake County Chairman for the Northern Indiana High School Journalism Seminar, had the task of selecting speakers and teachers for the seminar.

Among the many professional journalists who will play a part in the seminar is Mr. Leig Plummer, editor and publisher of the Herald Newspapers of which the Hobart Herald is an offshoot.

The Herald Newspaper Plant prints Hobart's

### Mr. Scarborough Is New Teacher

Mr. Boyd Scarborough, Hobart High's only addition to the faculty, has the distinction of being the only teacher in the state of Indiana to teach Latin American History. Mr. Scarborough, who also teaches courses in U.S. History and World History, graduated from Ball State Teachers' College and has taught previously at George Rogers Clark High in Hammond.

He has traveled in many foreign countries, among which are Egypt, Greece, Morocco, Mexico, Italy, Austria, Luxembourg, England, Ireland, and the Netherlands. As one of his hobbies, he collects Indian relics and edged weapons.

### TEACHERS RECEIVE SCHOLARSHIPS

Mr. Stanley Sendrick and Mr. Robert Heintzelman, Hobart High School teachers, have been awarded Graduate Scholarships for this summer from the National Science Foundation and the Wall Street Journal.

Mr. Sendrick, who teaches Physics and Geometry, will attend the University of Colorado where he will do advanced work in the field of Physics. He said that he will be studying P.S.S.C. Physics in order to incorporate new changes relating to his physics classes.

Mr. Heintzelman will be on a Journalism Fellowship program at Indiana University. The purpose of the Wall Street Journal Fellowship is to promote better school journalism, to introduce a program of study to teach students to objectively read and interpret the news and to introduce the many career opportunities in the media of mass communication.

### Journalists Study At Ball State

Six students from Hobart were among the 600 to attend Journalism Day at Ball State Teachers' College, Muncie, Indiana, on Saturday, May 6.

Representing the newspaper were Marilyn Lee, Audrey Sliko, and Marilyn Meisander. Yearbook students who attended were Lynn Seipel and Joa Wessley. Charles Butler, who is in both newspaper and yearbook classes, also attended.

Students attended workshops. They heard Irving Dillard, former editorial page director for the Saint Louis Post-Dispatch, speak. Mr. Heintzelman also attended classes.

### Student Teachers from Valparaiso U. Tell About Plans and Impressions

Hobart High students have undoubtedly noticed the four students from Valparaiso University walking the halls and observing and teaching in various classes. A brief interview with each revealed that they are all fine individuals with a genuine interest in teaching.

Dorothy Stoppelwath, helping Mrs. Cox in U. S. History, was born in Lawrence, Kansas, and is the daughter of a Lutheran Minister. There were four children in the family.

She is majoring in social studies at Valparaiso University. Her main study is history, and she also has a major in German. Her hobbies are bicycle riding, reading, making copper jewelry, and walking. Commenting on Hobart High, Miss Stoppelwath said, "I hope that when I teach I am lucky enough to get in a school system as fine as Hobart's."

Miss Gale Tremaine was born in Chicago, Illinois, and attended Luther South High School. She is

an only child, and her father is a broker. At Hobart, she has been working with the girls in gym class.

Miss Tremaine is majoring in physical education at Valpo. Her hobbies are swimming, water skiing, drawing, snow skiing, and bowling. "I like Hobart's school system," remarked Miss Tremaine. "You don't waste away any study halls. Everyone is friendly and makes me feel at home. I like a smaller town and hope to teach in the Valparaiso area, close to home! Valparaiso is a fine college; the honor system works well there and gives you a trust in your fellow man."

### Parents-Students To Learn About Colleges

Marion Bailey, Guidance Director at Hobart senior high school, has announced that there will be a College Night this year, rather than College Day as in the past. This year's College Night will be a College Night this year school, November 1, 1961, from 7:30 to 10:30 p.m.

High school juniors and seniors are urged to attend, but they must be accompanied by a parent unless they have permission from the guidance office to the contrary. Students may register at the Guidance office from now until October 17.

### Teachers Federa'n Has Fall Meeting

Bryan Reed, president of the Hobart City Federation of Teachers, presided at the group's first fall meeting last week.

Assignments for attendance at school board meetings were announced by Russell Dean, chairman of the finance committee, who also discussed the proposed school board-teacher committee on salaries.

### ATTEND FUTURE TEACHERS MEET

Robert Hunt and Bryan Reed, co-sponsors of Hobart High School's Future Teachers of America organization attended the Expository Teaching Workshop at the Indiana State Teachers Association Center in Indianapolis on October 2.

The purpose of the workshop

was to discuss the expository student's role in the elementary classroom. Hobart High school, one of the first schools in the state active in this program, presently has nine students active.

Indiana teachers attending the workshop discussed orientation of the students, observation by the student, participation on the part of the student and related activities.

### PRESENT BOOKS TO HIGH SCHOOL

Shown above are Mark Pfingbein, high school student; Mrs. Marion Bailey, school librarian; Mrs. Wilfred Fowler, representing the Hobart Young Republicans; and Miss Marilyn Meisander, high school student, in the school library last Friday when Mrs.

Fowler presented two copies of J. Edgar Hoover's book "Masters of Deceit" to the school.

The books will be used in conjunction with a course on United States Government which will be offered at mid-year by principal Harold Moody. The course ed-

## Classroom and Faculty

The teachers and their classes  
Are well-remembered things  
When reflecting back on a class  
What memories it brings!  
The Latin class meant projects  
And Geometry meant graphs.  
And some results from art class  
Were always good for laughs.  
Seventy minutes often seemed long  
Especially when vacation was near.  
But each realized it played an  
important part of the  
wonderful year.

Mr. Arley Kerr, superintendent of Hobart High School has many duties to perform. Serving as an executive officer of the school board, recommending textbooks for adoption, and assigning instructional and non instructional personnel are just a few of his many duties. Here Mr. Kerr takes time out from his busy schedule to look over the grounds of Hobart High

Mr. Norris, Hobart's new vice-superintendent, looks pretty busy learning his new job. Some of the duties he has to perform are being directly responsible for the purchase, storage, distribution, and accounting of all supplies and equipment, preparing all specifications and submitting them to the Superintendent and board for their approval, assuming responsibility for insurance programs, and handling money, telephone service, pupil transportation, cafeteria and fire protection.

## Administration

Mr. E. Wise, Director of Pupil Personnel, busily takes care of the attendance records of all Hobart students.

Principal, HAROLD MOODY

To the Class of 1962:

The true yardstick to use in measuring the worth of a class is to gauge its accomplishments in the light of its abilities. Mere possession of talents is not sufficient; usage of these gifts is the accurate measuring rod.

Using the above basis, you deserve plaudits. After a bit of a slow beginning, you gathered speed and have finished fast and strong! I recall no class which has come to the finish line with more school loyalty and eagerness to succeed than you.

I commend you and wish you well!

Harold Moody, Principal

Assistant Principal, D. THOMPSON

Dear Class of '62,

May I offer my congratulations on your accomplishments to date. You and the school can be proud of the progress you have made in citizenship, scholarship, and leadership the past few years.

Yes, you have solved your problems well. I hope that you will continue to grow in wisdom, in character, and in service to mankind. Using the knowledge you have gained through past problem solving, may you be able to achieve fine things in your personal lives, and through your contributions to science, politics, and religion make a better world.

Sincerely,  
Dorothy Thompson

Mr. Smetzer, Vocational Guidance director, has many duties to perform. Co-ordinating the related instruction with the work experience through frequent contact with students, journeymen, and employers; keeping sufficient records as required by the director and superintendent, helping guide, place and evaluate the follow-up of all students enrolled in the program; administering and supervising a program of adult education, including the evening school, and assisting graduates to secure employment are some of his many duties.

Mrs. Cox, dean of girls, is always very busy with her many jobs to perform. She is in charge of handling matters pertaining to attendance with girls and each day she prepares a list of absentee students by calling the homes and inquiring the excuse of their absence. She also confers with the girls of the sophomore class personally or in small groups to explain the school rules and regulations. Here Mrs. Cox starts one of her busy days by checking the absentee list.

Besides being coach of the Hobart High School football team, Mr. Russell Deal also serves as dean of boys. Some of his duties are accompanying Mr. Wise in determination of the whereabouts of absent students whenever necessary, calling meetings of the administration committee whenever necessary for group consideration of special attendance problems; conferring with each new student who entered in September or who enters later to explain the school rules and regulations relative to school behavior and attendance, counseling any student reported by a teacher on a matter involving school misconduct, and conferring with any student seeking help in solution of personal problems.

The office staff, Mrs. Sillery and Mrs. Walk, are very busy each day with their many duties. Mrs. Sillery, bookkeeper, keeps all activities accounts of clubs, and manages all financial aids. Mrs. Walk, the secretary registrar, takes care of transcripts, enrollment, withdrawals, and also figures ranks in grades. Shown left are Mrs. Sillery and Mrs. Walk balancing the yearbook account.

The cafeteria employees are very busy each day with their many duties. Performing such duties in the selection of, preparation of, and serving of food as shall be assigned by the principal can keep them very busy. Here Lois Stewart, Emma Schrock, and Rosa Dykhuis, smile happily as they prepare the meal for the day. Many people eat in the cafeteria each day, and are very grateful for the well-rounded meals that are served each day by the cooks. They have some of the students from the classes help them each day also.

## Building Staff

Mr. Charles Kaiser, Hobart High School's day custodian spends most of his busy days cleaning up the school. Building, remodeling, and repairing buildings, furniture, and equipment under the direction of the director of buildings will keep him very busy. Here Mr. Kaiser takes time out from his busy schedule to smile for the photographer. You can also always find Mr. Kaiser with a cheery "hello" and a few words for everyone. He always seems to be handy at the right moment to fulfill your needs.

Alston Lungren is calculating the number of grams in the cylinder while Mr. Hamman, Howard Hershey, and Dick Greischar look on.

"I have learned from my numerous students that the instructor's qualifications must include qualities of inspirational leadership, and the ability to transmit knowledge to the student so that it shall be alive and meaningful."

*Richard F. Hamman*

## Science

"Too few high school students are willing to work up to their capacity."

*Stacy Dunder*

One thing that the first year physics students do is weigh wooden cylinders. Here, Rich Ondrovich, Trennis Wright, Tom Kitterman, and Carla Moberg show their demonstration of it.

Miss Stewart smiles approvingly as Roger Norris conducts his experiments for the others in the class. Left to right: Miss Stewart, Wava Voight, Roger Norris, Helen Martin, Rick Stephens, and Bob Johnston.

"I've learned that a great pleasure comes from looking back and seeing that most students turn out to be fine and worthwhile."

*Lola Stewart*

## Science

"Each student is an individual and an individual problem to every teacher."

*Dorothy Reed*

Here Jim Garretty does his experiment while Mrs. Reed, Mary Cicak, and Ivan Heistand wait to help.

The 1961-62 yearbook and newspaper staffs work diligently under Mr. Heintzleman's direction.

"Some are anxious to learn; some are hesitant to learn; some are not interested in learning. But all have a need to learn."

*Bob Heintzleman*

## Language Arts

"From my students, I have learned more than any university, any book, or any one person could ever have taught me. To my students I shall ever be indebted."

*Lion Karr*

Mrs. Karr listens in on a debate in speech class. These sophomore students are deciding on a topic to discuss.

"My students have taught me to respect them each as an individual person. I see each one in a different light and do not judge them by what their brothers and sisters before them have done."

*Elaine Deal*

Mrs. Deal explains to Donald Polansky, Deana McBride, and Karen Mueller about 3 outstanding figures of speech.

Mrs. Wise pauses to help Diane Benka on her English paper.

"Teaching can be compared to parenthood in that we are always learning from the problems that confront young people. That is what makes teaching so challenging."

Mrs. Eugene Wise

Dave Scambelluri questions Miss Anderson on the sentence construction of his theme.

"During my years of teaching, usually whatever I measure out to my students they return to me."

*Gladys Anderson*

Mrs. Koch checks over Sue Berg's literature paper before continuing with the rest of the class.

"The students are more fair in their judgement than are adults."

*Sonia Koch*

## English

You can tell that these students are enjoying their English class. Could it be that Mr. Hunt has just told one of his favorite jokes?

"Each student is a different person, experiencing an individual learning process; not one is an empty bag into which a teacher can pour knowledge."

*Robert W Hunt*

In order to uphold their high reputation, the band has to practice every day.

I have learned in teaching young folks that the honest acceptance of opinions and thoughts of our students brings forth more mature thinking. Maturity comes from exercising judgements, living with mistakes and correcting them, and then at the next opportunity improving your judgements.

*Robert K. Webb*

## Music

Mr. Robert Benson  
A Cappella and  
Dramatics.

The A Cappella choir tunes up under Mr. Benson's direction before starting their regular class.

The class is attentive as Mr. Scarborough adds extra information on a fact from the past.

I have found that students accept erroneously Hollywood movies for historical facts.

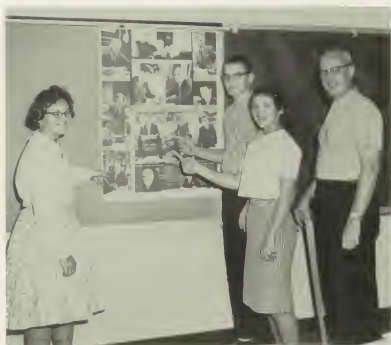

*Boyd Scarborough*

## Social

Students meet the standards set by a teacher or school. If the standards are rigid they are met. If the standards are low they are also met. Students are no different than adults.

*Earl Edquist*

Toni Banaski, Randy Caldwell and Joan Wesley explain to the class about President Kennedy's cabinet as Mr. Edquist nods in approval.

I have learned from my students that they have respect for the well-disciplined class with a learning environment.

*Jay Trammel*

Rose Englebert points out the type of government the United States has to Jim Harwood, Eula Jester, and Mr. Trammel.

## Studies

Rick Stephens smiles knowingly as he points out the corn belt to Cassandra Zulich and Mr. Rhodes.

I have learned that one of the greatest difficulties of teaching is to respect individual differences.

*Forrest L. Rhode*

A whirling dervish in the lobby, a big "H" on a sweater, a boisterous extrovert in the halls, a timid sophomore on opening day—you have to understand them all to be a good teacher.

*Floyd T. Davis*

All eyes are on Virginia Batzel and Peggy MacLeod as Mr. Davis lectures to the class on note-passing.

## Social Studies

In order to get full advantage from television classes, students must take extensive notes, as shown below.

This year Hobart High School has brought something new to the world of history and government: Classes taught by television. The classes being taught are United States History and United States Government. Each day the 3rd hour History and government classes go to the cafeteria for their lesson. In the classes the students are taught more about the country of which they are citizens. Since there are no books for these classes, the students have to take extensive notes.

Thus far the classes taught by television have proven very efficient.

Barb Rosta demonstrates the basic jump on the trampoline in Physical Education class as Cindy Boughammer, Ginger Casey, and Miss Reisinger look on.

It is not the quantity but the quality of learning that counts. Thus, all students must be treated as individuals.

Many learn quickly, while others learn slowly, but all learn by doing.

*Eleanor Reisinger*

## Physical Education

I have learned that the Golden Rule can be made to work only through the process of education. We aren't born with sportsmanship; we have to learn to be good sportsmen.

*Frank Spurth*

The boys in the 5th hour gym class show some of the various forms of activities available in the weight room. Left to right: Jim Hawke, Delwood Rogers, and Jack Pruitt.

I have learned many things. My conclusion has been that our students are a reflection of the way their parents and teachers have thought and acted before them.

*WBlack*

Roberta Rhea and Kenny Riek help Mr. Black explain to the class about sentence declensions.

## Language Arts

Second year Spanish students Carolyn Wise and Kent Smith show Mr. Neff their interpretation of "el toro" or the bull.

Each student has his own emotional needs, intellectual capacity—and thus should be treated as a distinct personality and not as merely part of a group.

*Robert Neff*

German is the world of inspiration and individual solutions to esthetic problems. Every new student contributes to the knowledge and inspiration.

*Astrid Z. Cicak*

The class looks very attentive as Mrs. Cicak lectures to the class on verb conjugation.

## Arts

Mrs. Baily prepares to check out Steve Fessler's books as Marie Koritko, Georgia Dietrick and Steve Davis wait their turn.

Primarily I have learned the value of mutual respect. I try to appreciate his viewpoint and hope he may do the same for me.

*Mary Baily*

The I.Q. has a lot to do with students learning, but it's the will power and the *I Will* which is important to his education.

*Wayne Collins*

Elden Waldschmidt, Richard Allison, Mike Blachly, and Danny Stowers listen solemnly as Mr. Collins explains the procedure of running this intricate machine.

## Vocational

Mr. Billar and three of his students look critically at a finished product. Left to right: Curtis Smith, John Sandburg, Mr. Billar, and Rick Young.

I have learned that a sense of humor and patience are two important assets of being a teacher.

*Warren Billar*

Mr. Farlow discusses with Eddie Aleman his project for mechanical drawing class. Much of their work is shown in the display case.

I have learned from my students a better understanding of human nature.

## Typing

Miss Hopp explains the placement of the typewriter keys to Bev Van Loon, Beth Gallagher, and the rest of the class.

I have learned to be on guard at all times and to anticipate what's coming. It is very important to know the next move of most students.

*Helen R. Hopp*

## Office Practice

I have learned that too few students are willing to work up to their capacity.

*Rebecca M. Todd*

Miss Todd explains the mimeograph machine to Sharon Paul and Marilyn Wronko.

This class seems to be using their study time wisely by doing their general business problems for the following day.

## General Business

I have gained a valuable sense of humor and I have also learned to appreciate the students' abilities and their problems.

*Earl McGuire*

## Bookkeeping

Mr. McGuire and Melinda Schimmel point out different parts of the beginning balance sheet as Peggy Missal and Connie Todd look on with interest.

## Art

"Draw me." This might have been what George Vavrek said to get himself in this predicament. The artists drawing him are Diane Kienly and Linda Gowan.

Art is the world of individual solutions to esthetic problems. Every new student contributes to the knowledge and inspiration.

*John J. Cleary*

## Driver Education

Many students think that all there is to driving a car is to 'hop in and go.' They learn later that driving takes practice just as everything else does.

*Russell Deal*

Dewey Johnson and Bob Zickhur check the engine of the car before starting on their driver lesson for driver education.

Mrs. Hevel helps Jerri Collins pick out for Pat Setlak an appropriate pattern for a sporty occasion.

What I have learned from  
my students I can express in  
only three mutual words.  
PATIENCE, PATIENCE, PA-  
TIENCE. I need say no more.

*Judy Skel*

## Home Economics

Arlette Thompson and Janet Anderson take time out for a minute from their cooking to pose for a picture while Sue Berg and Diana Dexter wait patiently for their turn at the stove.

The Hobart High School math department is divided into four major classes of study: general math, algebra, geometry and trig. Shown above is Mr. Dean's algebra class studying vigorously for the test they are about to receive.

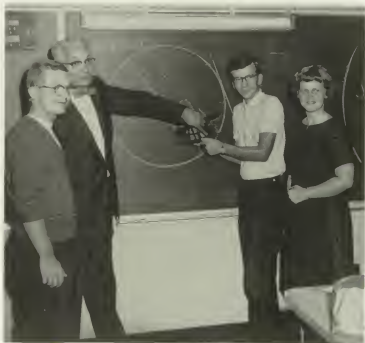

## Mathematics

I have learned that what teachers learn at students' knees, has always been "infinitesimal."

*Lucas Dean*

Mr. Dean and Mike Stefanchik explain the use of the sextant to Bob Wuenn, Peggy McLoud, and the other members of the class.

Teachers learn a great deal about human nature from students. We learn that the majority of students mean to be and are nice, young people. They teach us as we teach them.

*Bryan Reed*

Mr. Reed, Dave Layhew, and Ron Thorson explain to the rest of the class the length and use of a chord in a circle.

## Fundamentals

It looks as though these students are using their study time the right way. Shown above are some students studying their assignment for the following day.

## Organizations Work Overtime

### F.T.A. Plans for Scholarship Fund

The Future Teachers of America Club is asking all clubs belonging to the Hobart Inter-Club Council for donations to help pay for the annual one-year F.T.A. scholarship. This scholarship will be presented at the honor night exercises to a teaching career.

Although the F.T.A. club is asking for donations, it supplies most of the money.

F.T.A. members are to ask permission of club presidents to appear before the clubs and ask for donations.

In order to be a candidate for the scholarship, the student must meet all entrance requirements for the college of his choice, make good grades, and have an aptitude for teaching.

### Boosters Start Booster Bloc

The Booster Club has a new feature this basketball season—a booster bloc. The bloc has about 80 members who like to attend games and yell for their team.

The bloc learns and practices new cheers before each home game. At games each member wears a Booster cape and a purple derby with a gold feather. Because each cape has a white and a purple side, the bloc often forms a white "H" or "B" against a purple background.

### Y.F.C. Rally Has Western Theme

The Lake County Fairgrounds was the scene for the first Y.F.C. Rally, Saturday, September 23. The rally, which featured a western theme, was followed by a hot dog roast.

Youth For Christ, known as Y.F.C., will be meeting every Friday with Darrel Regier presiding as President. This organization has a program designed to interest and benefit teenagers.

One of the club's first duties will be to elect a new vice-president in charge of programs, since Carol McQueen, chosen last

Jo Anne Schumann and Gil Mellander were Presidents of

### Brandenburg Heads Deutsche Verein

A "Freiein" will serve as the President of this year's German Club—Sue Brandenburg, a junior. Other officers of this club, which is one of the school's youngest organizations, are: Jim Karsch, Vice-President; Pat Glynn, Secretary; and Royce Peterson, Treasurer. Mrs. Cieski will again be the German Club Sponsor.

A busy year is in store for the members. Some of the activities and projects which will fill the club's agenda are: viewing a German Opera, "The Marriage of Figaro" at the I.L. Extension in Gary on September 30; sponsoring an after-grad dance; having a picnic; and going to a German Restaurant in Chicago sometime in the spring.

As President, Sue commented, "With everyone's cooperation, we should have a successful Deutsche Verein."

### Elected State Vice President

Future Teachers of America attended the state convention in Indianapolis on October 8th. Vicki Small, president of the Hobart club, was formally installed as state vice president. Other members of the F.T.A. who attended the convention are Arlene Szabo,

spring, has moved to Elkhart. Other officers are Gretchen Liechty, Secretary, and Harvel Ayers, Vice-President in charge of Management. Mr. Neff serves as sponsor.

Usually included on Friday's program are songs, special music, novelty announcements, and a film or youth speaker. Rallies are held every other Saturday night at either the I. U. Auditorium in Gary or at the Christian Fellowship Church in Hammond. This club is interdenominational—all are welcome.

### Debutens Hold Initiation

Monday, October 2nd., the Debutens' Initiation was held in the cafeteria from 3:30 to 4:15. Sixty-eight girls were initiated.

After the procession, Fran Cheverton gave the invocation. Ruth Marconi, president of the club, welcomed the new members. Speeches were given on honor, friendship, cooperation, and loyalty by Jan Evanoff, Linda Walker, Pat Glynn, and Liz Reynolds, respectively. Sharon Anderson and Marge Scott began the candle lighting ceremony. Renee Shannon sang "Somewhere Over the Rainbow" and was accompanied on the piano by Kathy Miko. Mrs. Cox, the head sponsor, welcomed the new girls.

### F.H.A. Fetes New Members

A pizza party was held September 28 in honor of new F.H.A. members. It was held in room 216 from 4 to 5 o'clock after school. The fourteen girls who attended enjoyed the pizza (made by the officers) and cake very much.

### Quill and Scroll Initiates New Club Members

On Tuesday, January 10, at 7:30 p.m., eight students of Hobart High School were initiated into Quill and Scroll, an honorary Journalism organization. The impressive candlelight ceremony was conducted in the cafeteria by the officers of the Highland high school Quill and Scroll.

Mr. Dean Speicher led the initiation. Mr. Robert Heintzleman, after speaking of both the privileges and duties of a Quill and Scroll member, presented the new members with their key pens and those being initiated were Melissa DeLeurers, Linda Howell, Dave Robinson, Vicki Small, Mitch Blundin, Linda Harrelson, Ed Hinkle, and Marilyn Mellander.

### F.B.L.A. to Convention at Ball State

On March 24 and 25, the F.B.L.A. is going to attend a convention at Muncie at Ball State Teachers College.

The convention which is held every year at Muncie is attended by students from all the schools in Indiana which are chapter members of the F.B.L.A.

Miss Hopp, the club sponsor, and Kay Swin, the club president, said that the club will take as their project to the convention, a scene from an employment agency.

The students going to the convention will leave the school at 12:30 on the 24th of March. The price for the trip is \$5.00.

### G.A.A. Buys Sweatshirts For First Time

There is something new added to G.A.A. this year. It is the purchase of sweatshirts. The sweatshirts are a light blue and will have the G.A.A. emblem with the year that the girl will graduate. This has never been done in the past and it is hoped it will be continued in the future.

The constitution has been rewritten to state that any girl with at least 30 points will be able to get into G.A.A. In the past membership has been limited to eighty members. Now with the new addition, any girl with this certain number of points will be able to get into G.A.A.

### Martin Chosen to Lead A Cappella

Helen Martin, a senior, was chosen by the A Cappella Choir of the high school to serve as the Student Director for the 1961-62 school year. This is the second consecutive year in which a girl has been elected to the highest office in the choir. Helen follows in the footsteps of Donna Erwin.

Other newly-elected officers are: Bonnie Klittdorf, Fund-Raising Chairman; Melinda Schirmer, Secretary-Treasurer; Cliff St. Clair, Equipment Chairman; Beth Gallagher, Robe Mistress; Marilyn Mellander, Publicity Chairman; Arlette Thompson, Historian; and Janet Anderson and Jeanne Vincent, Librarians.

After an outstanding game between Hobart and Griffith, students of Hobart high were invited to a dance in the lobby.

A dance contest was held during the evening in which three couples

## Memories Staff Records Events of '62

Lynn Scipel is smiling, approving her artistic ability in cropping pictures. Lynn is Layout Editor.

"That Wonderful Year" is the theme for Hobart High School's 1962 yearbook. The yearbook staff of our school put a lot of work into putting it together. Yet each and every member of the yearbook staff knows in his mind that his work on layouts, copy, and cropping was not in vain.

The memories in a yearbook class might be ads, typing all hour, and biggest of all, deadlines! Many students this year attended journalism institutes. Here they attended classes on every aspect of yearbook and newspaper, and they met many brilliant and talented journalists and reporters. John Daly of "What's My Line" was one person they met, and also Norma Lee Browning of the Chicago Daily News.

The biggest thrill of all is when the new yearbooks come out, yearbook members scurry to see their sections and compare them to a grading book. An all-American yearbook is what we are really looking forward to.

Judy Swanson, Associate Editor, has the job of checking copy as it is written and seeing to it that the dummy sheets are handed in on time.

Joan Wesley, Activities Editor, pauses with concern as she types copy for a triplicate to meet her deadline.

Linda DeFrance, Organizations Editor, is having trouble naming students in a club picture.

Sue Darling comes down the hall after distributing activity sheets to seniors. Sue is Senior Editor.

"Put the reflector on your head," says Dave Robinson, as he and Denny Pardus get ready to take Keith Anderson's picture.

Donna R. Morris, Faculty Editor, shouldn't have looked back as she sneaked out of the yearbook room.—The General caught her.

Terry Nibbe, Assistant Sports Editor, and Cass Zulick, Sports Editor, get together over their typewriters to make some copy changes.

Jackie Wright grins and bears it as she has discovered that she has left out a student from the Underclass Section.

The Newspaper Editor, Marilyn Meilaender, has just received a copy of one of the issues of the paper, and reads over the story she has written.

Cheryl Weatherholt is working busily on one of the HO-HI Life issues, but seems to be enjoying it. Cheryl is Business Manager and Ad Manager.

## Newspaper Strives for Truth and Accuracy

Karen Thoreson, Feature Editor, pauses a moment from her busy schedule.

The purpose of the HO-HI Life is to bring truthful, informative accounts of school events to the students. Staff members worked long, hard, hours in order to report events as quickly and accurately as possible.

This year the paper was printed by the Hobart Gazette. Since the Gazette changed to off-set press the quality of our paper improved steadily.

Here is a typical fifth hour journalism class: We find Marilyn Meilaender working diligently at her typewriter typing on important stories.

Like Marilyn, you'll find the other members of HO-HI Life working either typing up stories or composing copy.

It's a rush the day the dummy sheets are sent to the publisher. But, how proud they are when the paper comes out!

Part of the beginning Journalism Class, or the Reporters, are typing copy for HO-HI Life. They are from left to right: Carol Fiester, Chris Bryant, Edith Vincent, Carol Granyow, Marianne Dunn, Marcia Lahaie, Betsy Hawke, and Jackie Freeville in the center.

Here is a discussion taking place by Dave Matsey, Sports Editor, and Stan Ellerman, Assistant Sports Editor, over a copy for an issue of HO-HI Life.

The Debuteen sponsors are: Mrs. Cox, Miss Stewart, and Mrs. Koch.

The Debuteens purchased a bed for the Health Room. They also bought some sheets and a spread for it.

Officers of G.A.A. are from left to right: Joan Karner, Secretary, Sue Darling, Treasurer, Laurie Mike, Publicity Head, Lynn Cook, Vice-President, and Cass Zulick, President.

The G.A.A. met every Wednesday at 6:30. Some of the activities were basketball, kickball, baseball, tennis, ping-pong, deck tennis, mush ball, trampoline, and tumbling.

At the beginning of the school year, the club president and vice-president went to a training camp and at the end of the year the members went to G.A.A. camp.

The formal initiation of new members was held in November and the informal initiation was held in December. The members are elected to the club on a point system. Points are determined by the girls going to intramurals.

To elect the officers the senior girls put up a slate of nominees and present it to the club. The members could add names to the list if they wish. A banquet was held and the new officers were presented.

December the club had a swimming party. On December 9th the club had a Semi-Formal called "Silver Bells." In March they had an A.F.S. dance. It was called "Oldies but Goodies," held in the cafeteria. On March 23rd they had their In and Out Games.

At the football homecoming their float came in second. During one of the pep sessions they put on a skit. In the spring the club sponsored a girls track meet.

G.A.A. or (Girl's Athletic Association) is open to any girl who earns the 30 points required for membership. She may earn these by participating in intramurals, and in other fields of sports participation. After she attains the 30 points all the girls are inducted into membership by means of a formal initiation and an informal one held at one of the club meetings. The girls are active in volleyball, basketball, cage ball, softball, and track.

The only requirement is to be enrolled in a Spanish class. Besides regular meetings the club has a Spanish-type supper and party and a spring picnic. This year the supper was held on December 11, and 46 members attended. They enjoyed eating delicious Spanish food and playing games.

Members of the Spanish Club vie with each other in the annual Spanish contest. Some are sent to represent Hobart High in the regional contest. Mr. Neff sponsors the Spanish Club again this year.

The Spanish Club joined forces with the two other language clubs and constructed a float for the Homecoming Game.

## German Club Promotes Interest in Language

Officers of German Club are from left to right; Jim Kursch, Vice-President, Pat Glynn, Secretary, and Sue Brandenburg, President. Not shown is Royce Petersch, Treasurer.

The German Club, or Deutsches Verein, as it is called by the members, is a relatively new organization at Hobart Senior High. It is under the capable direction of Mrs. Cicak.

This club attempts to promote an interest in the German language, customs, and culture. Members enjoy social affairs with other teenagers who are interested in the aspects of the German language.

The club sponsored a dance, and also held a post-Christmas party. The members enjoyed this mid-winter party, and spent a good deal of time ice skating.

Early in the school year the club viewed a German opera at the Indiana University Extension in Gary.

The club promoted international friendship by writing to a foreign pen pal this year.

Any students who have had German or are enrolled in German classes are eligible for membership. Club members frequently listen to German recordings and sing German songs.

## Honor Society Sponsors '62 Pizza Supper

Seated from left to right are the National Honor Society officers: Dick Greischar, Carol Homan, Greg Garmong, Mark Pflughoeft, and Alston Lundgren.

The National Honor Society is an organization which inducts juniors into the society every spring. Those who have achieved a great deal both academically and in the extracurricular activities offered at Hobart are honored by being pinned for membership into N.H.S.

This organization is constantly busy. Among its activities this year were the award made to the Outstanding Sophomore Boy and Girl of the year, sponsoring a pizza supper for first semester honor roll students, aiding the Student Council in the program of obtaining a foreign exchange student and providing a convocation at which honor students were commended in the presence of the student body, faculty, and parents.

Sponsors are Miss Todd, Mr. Davis, and Mr. Rhode.

The members of the Quill and Scroll Club are Dave Matsey, Karen Thoreson, Carole Mikolajzyk, Terry Nibbe, Cass Zulick, Ellen Woodruff, Sue Darling, Jackie Wright, Fae Jester, and Donna R. Morris.

## Quill and Scroll Highlights Journalistic Year

The officers of the club are Marilyn Meilaender, Secretary; Ed Hinkle, Vice-President; Cheryl Weatherholt, Historian; Dave Robinson, President; and Lynn Seipel, Treasurer.

Quill and Scroll is an honorary journalism organization. The Hobart High School chapter of Quill and Scroll dates back to 1929. The club generally has two initiations each year, and students are always eager to gain membership in this international society for boys and girls.

All those who wish to become members of Quill and Scroll are required to be in the upper third of their respective classes; moreover, the student must have done superior work in some phase of journalism production, either in newspaper or in yearbook.

Quill and Scroll provides suitable awards on Honor Day for those who have done outstanding work on one of the school's publications.

Mr. Robert Heintzelman serves as the club sponsor. Those students who are initiated into Quill and Scroll receive a membership pin and a subscription to the Quill and Scroll magazine.

Pictured above are the Thespian Club members. From left to right: Kathy Rusak, Bonnie Kittredge, Donna R. Morris Laurie Miko, Sue Darling, Becky Nelson, Pat Wheeler, and Beth Zimmerman.

## Thespian Dramatics Prove Entertaining

The purpose of the National Thespians Society is to promote interest in dramatics and speech arts among students in the secondary schools. There were two inductions held this year at Hobart High. Twenty members were inducted at the end of the first semester. Another induction was held in the spring. The Thespians give an award to the outstanding senior student in dramatics. Ten points, acquired through acting and production work, is required for admission. The National Thespian Society is an honorary organization. Lifetime membership is granted to those students who earn the necessary ten points. Suggested activities for gaining these points are participation in the talent show, participation in the one-act play contest given in this area, and participation in school plays or musicals.

Sponsor for the Thespian Society is Mrs. Gloria Karr.

Pictured above are the Thespian officers. From left to right: Fae Jester, Vice-Pres.; Marian Kramer, Secretary-Treasurer; and Kaye Sillery, President.

Not shown are Susan Schumann and Jackie Wright.

## Student Council Builds Student Leaders

Pictured above from left to right are Jackie Wright, Clerk-Treasurer; Darrel Regier, Mayor; and Donna Glad, Clerk-Treasurer.

Hobart's Student Council is, without a doubt, the busiest club in the high school. The Gold and Purple Party campaigns were more heated than ever this year, with Darrel Regier emerging as Mayor. A "first" in the history of the high school was the election of two Clerk-Treasurers, as Jackie Wright and Donna Glad tied for the office.

"Yohannaire" was again presented by the Council; the proceeds from the show went into a scholarship for a worthy senior. Perhaps the main project of the Council this year was the raising of money for a foreign exchange student through the American Field Service. An A.F.S. Day and Dance aided in raising the necessary funds.

Student Council members attended the State Convention at Indianapolis and brought home added knowledge which was put to work in their own Council.

Sponsors are Miss Dorothy Thompson and Mr. Marion Bailey.

Members of the Art Club are from left to right, *First row:* Fae Jester, Lynn Seipel, Jim Sable, Kay Orgyelan, Sue Helm, Janice Eickstead, Suzy Sable, and standing, Lee Will. *Second row:* Mary Cicak, Linda Smith, Sue Weiler, Joan Trbovich, and Rose Englebert. *Third row:* Linda Pendleton, Paula Dexter, Jayne McMellon, Donna J. Morris, Emil Pelbean, Boyd Roberts, and Marianne Kramer.

## Art Club Promotes Appreciation of Art

The Art Club, sponsored by Mrs. Cicak, met every Monday evening to enable the members to gain a greater knowledge of and appreciation of art.

Guest speakers at many of the meetings helped to create an interest in the club. The speakers presented programs on rocks, painting, and pottery.

In order to raise money to send toys to orphan children in Lake County, the club sponsored Charity Day at Walgreen's and a Charity Dance at school.

The Art Club held a jewelry sale in March. It also sponsored the Spring Art and Crafts Festival on May 5 and 6 in cooperation with the Chamber of Commerce, the Hobart Art Shop, and a Hobart-area artist.

Officers of the Art Club are from left to right: Janice Eickstead, Secretary, Suzy Sable, President, and standing is Lee Will, Vice-President.

# F.T.A. Offered Students Cadet Teaching

The Future Teachers of America had their regular meetings the first and third Mondays of each month. The club was started in 1953 and since then students have been responding more each year.

The main purpose of F.T.A. is to give students experience in the teaching field by assisting teachers and substituting for them.

The big project was Cadet Teaching. In this project students taught at Foreman School and the Junior High, Liberty, and Mundell.

The club had two bake sales, in the months of December and April. The members also helped out at Back-to-School night, took turns working in the snack bar, and sold concessions at games.

The officers are chosen in May and new members are installed.

The members attended both district conventions and state conventions. The main goal of F.T.A. was raising money for a deserving senior who plans to enter the teaching field. Besides bake sales, and selling at concessions the club visited organizations asking for donations to the scholarship.

F.T.A. officers are from left to right: Gretchen Liechty, Treasurer, Cass Zulick, Secretary, Steve Atwater, Historian, Marianne Gasche, Vice-President, and JoAnne Schuemann, President.

The F.B.L.A. met every first and third Thursdays of every month. At the meetings they did such things as making plans for the State Convention and some of the activities for the coming months.

The club worked in both of the dime stores for experience in machine work. The members took turns starting in October and alternating throughout the months.

The club attended a convention on April 6 and 7 at Ball State Teachers College. The clubs project for the convention was making a miniature office. Judy Guyton was the chairman of the project.

At the end of the year the club held a picnic in May in Fred Rose Park for installing new officers. During the initiation in September, a guest speaker spoke on office positions.

Some of the girls in the club took a Home-Nursing course from the club's sponsor, Mrs. Reed.

The purpose of the Future Nurses of America is to bring together all those who are interested in the medical field. The members work together to learn more about their chosen profession.

## Librarians Provide Useful Service to School

The purpose of the Librarians Club is to help the teachers and the students who need assistance in the library.

The girls themselves do work in the library for Mrs. Bailey. The girls do such things as check books out and in, they help students and teachers to look information up, and they also clean the library.

The girls do most of their work during the morning, noon, and after school.

Some girls work in the library one period a day assisting Mrs. Bailey.

Membership is open to any girl interested in assisting Mrs. Bailey, making new friends, and learning about library work.

Officers of the club are from left to right: Treasurer, Sharon Veltri; Vice-President, Rita Fennesey; and President, Vicki Pruitt. Not shown is Sue Helm, Secretary.

## Audio-Visual Club Responsible for Equipment

Here are the officers of the Audio-Visual Club learning how to operate the special television set in the library. The officers are from left to right: Tom Kitterman, Assistant Audio Director, Arlin Guess, Assistant Visual Director, Dick Greischar, Technical Advisor, and Alston Lundgren, Director.

The Audio-Visual Club members this year have been responsible for proper use of the slide and sound projector, the tape recorder, the public address system and for turning on the FM radio at noon. This service club has attempted to raise its membership this year, since it would enable the teachers to have a reliable audio visual student to run a projector or other machine in case of the need. Since anyone can join it is hoped that next year's membership will surpass this year's with several new members.

The Audio-Visual Club was first organized by Mr. Carlock in 1955. The club does not hold regular meetings, since the only time it is necessary for the members to meet is for a session in learning the techniques of operating the equipment.

Officers are selected on the basis of their past contributions to the school through the Audio-Visual Club.

Hobart students are appreciative of the numerous services performed by Audio-Visual members throughout the course of a school year.

Alston Lundgren and Lee Will busy themselves attaching a camera to a telescope.

The Astronomy Club is a small group of students with a common interest. They share their books, magazines, and ideas. Meetings are at somewhat irregular intervals, depending on the weather and visibility. There is an occasional indoor meeting, but the members seem to be more interested in the use of the telescopes and astrocameras. There were no club expenses to date so there were no dues.

The members want to thank Mr. John Dudley for the telescope he donated to the club.

Mr. Dean is the sponsor of the Astronomy Club. The club was organized after he received many requests from students.

## Strike Up the Band

The band is known to play music ranging from a swinging jazz number to a classical symphony. They put on their usual public appearances consisting of a Fall Pop Concert, Christmas Vespers, cake walk, Spring Concert and the Anniversary Concert. The members of the band also participated in the Solo and Ensemble district and State Contests. They are very proud of those members who were able to bring back first place medals from these two contests. The band is directed by Mr. Robert K. Webb. Mr. Webb and the band members do a lot of outside work at sectional rehearsals. This shows that everyone concerned wishes to keep the band at a high musical level.

Their swinging music is enjoyed by all.

## MARCHING BAND

Marching Band practice starts three weeks before the beginning of school. During football season the Hobart Senior High Band works diligently on formations for half time shows the night of the game. All these intent looking students are really enjoying the seem-to-be work at routine. Although wet feet go along with early morning practice, it is one of the most rewarding activities of the band and kind-hearted Mr. Webb supplies cokes at the end of the season.

Although the Pep Band makes a lot of racket, it tries to arouse the school spirit and morale of team and cheerers. The pep band attends all games of basketball, away football and special convocations during the school year to back our Brickies. A few surprise convos were held during the lunch hour in which the pep band got to a rousing start from the far end of the school by playing the "Brickies Come Marching In."

Although the front line may sag . . . remedy is well on its way when Drum Major, Carl Carysle, gives the orders.

## “Oklahoma” Presented by A Cappella Choir

The A Cappella Choir served the school by singing at various convocations throughout the school year. The group performed at the Thanksgiving and Christmas assemblies, and presented a Christmas concert. The choir, together with the band, presented Christmas Vespers.

In March the choir traveled to Highland and participated with six area choirs in a choral festival.

The A Cappella Choir began working toward the purchase of new choir robes by sponsoring a candy sale in the winter.

The highlight of the year was the musical presentation of “Oklahoma” in the spring. The two-night presentation represented much hard work by the teenagers.

The A Cappella Choir is under the capable direction of Mr. Robert Benson. Students desiring to gain choir membership must audition for the director and student officers in the spring.

Madrigal Singers and Barbershop Quartet members are chosen from the choir.

## Science Club Participated in Field Trips

The Science Club this year has sponsored several movies pertaining to science during the noon time periods. The club has also participated in numerous field trips in order to promote better efficiency in their science classes. An annual Science Fair was sponsored by the club for the industrious students who wanted to show their scientific ability in competition.

The Science Club is particularly beneficial to those students who plan to continue to study science and later to make their careers in one of the many fields of science. Membership is open to any student who has had one or more years of science.

By-Phy-Chem, as this club is sometimes called, is headed by Mr. Senderak.

The Science Club met the second and fourth Thursdays of every month at noon.

### SENIOR CLASS FLOAT AND SR. GIRL TRIUMPH

Hobart High's Homecoming celebration couldn't have been a happier one, thanks to the Brickies' 47-12 triumph over the Crown Point Bull Dogs. It was a jubilant night for the seniors, too, as their float with the theme "Batter 'Em" took first place honors, and one of the Senior Queen candidates, Beth Gallagher, received the crown.

Before the game began the winning float was announced. Following the Senior Class, the G.A.A. placed second, the League Club third, and the Student Council received fourth place. At half-time, with the score 34-0, an anxious crowd awaited the announcement of the queen.

The band presented the second portion of "John and Julia," and then the queen candidates rode out on the field to the lifting "Fascination." Beth Gallagher, senior, and Bonnie Kittredge, senior, rode in a white 1960 Chevrolet driven by Jim Goffney. Beth was dressed in a white gown with a taffeta top and a chiffon skirt. She wore blue satin shoes and her dress had a V-shaped blue satin inset. Bonnie's gown was blue embroidery on white nylon.

Roberta Mishler, junior, and Jennifer Eastwood, senior, rode in a white 1960 Dodge, driven by Tony Nalmpigat. Roberta wore white nylon with ruffles, and her accessories were pink. Jennifer's dress was orchid nylon-dotted tulle. It had a ruffled top and a bow in the back. All four candidates chose ballerina head formulas.

Bonnie, Beth, Jennifer, and Roberta were escorted onto the field by Bill Lister, Bill Farbus, Steve Rettig, and John McKuhn, respectively. Mike Stefankich, Senior Class President, then placed the crown on the Homecoming Queen, Beth Gallagher. Each candidate received a dozen red roses from the cheerleaders, compliments of Mundell's Flower Shop.

A happy group attended the Homecoming dance in the High School Cafeteria. The walls were decorated with allouettes, megaliths, and footballs. "Welcome Alumni" greeted old friends. The Renegades, a high school rock and roll band, provided music, and Jim Harwood sang for the crowd.

Connie Todd announced the queen and her court at the dance. Beth was escorted by Dr. DeLish, Bonnie by George Vavrek, Jennifer by Bob Graham, and Roberta by Jim Grudzinski. The Queen received a white football signed by the team. The queen and her court led off the first dance.

At midnight the festivities ended, and Homecoming was over for another year.

### Regier Defeats Goffney For Mayor; Glad and Wright Contest Ends in Tie

When all the votes were counted Hobart High school had three, yes, three new Student Council officials. Darrel Regier, a senior with a background of much service to the school, was chosen by his classmates to be the 1961-62 Mayor of Hobart High School. This is the highest office any boy may hold.

There was a "first" for the school, too, when Donna Glad and Jackie Wright tied for Clerk-Treasurer. It was decided that they would share the honor, Jackie serving as Clerk for the first semester, and Donna for the second.

It was an interesting race all the way, but the Gold Party upheld its record, although Donna Glad, Junior, the annual mayor-clerk-treasurer parade proceeded through downtown Hobart on Friday, September 16, during the noon hour.

Darrel's campaign manager, to whom he expressed thanks, was Doug Davis. Ellen Woodruff and Donna Thompson served as Jackie's helpers, and Sue Brandenburg and Beth Lewis were Donna's campaign managers.

### PARADE SPARKS CAMPAIGNING

With the Gold Party candidate, Darrel Regier, senior, and Jackie Wright, junior, leading, followed by their Purple Party opponents Jim Goffney, and Donna Glad, Junior, the annual mayor-clerk-treasurer parade proceeded through downtown Hobart on Friday, September 16, during the noon hour.

Doug Davis, of the Gold Party and Jerry Greene of the Purple Party, drove the convertibles which the candidates rode in. They were preceded by the Hobart High School Band, which was led by Lloyd Lewis.

### Ho-Hi Leadership Study This Week

On October 23 and 24 Hobart High school held its biennial Leadership Conference. The purpose of this conference is to acquaint the leaders of the school with better techniques of leadership and to instill in those who attend a sense of responsibility. Those invited to attend the conference are all Student Council members, Girls and Boy's State delegates, and all officers of clubs, cheerleaders, Honor Society members, athletes, and those given special recommendations by a teacher. Hobart High extended an invitation to other schools in the area who might wish to send a representative.

#### Program

The opening session on Monday afternoon was called to order by Darrel Regier, Mayor of the High School. Harold Moody, principal, addressed the students on "Why Leadership?" Sallie Nixon, the 1961 Governor of Hoosier Girls' State, traveled from Crawfordsville to Hobart and spoke on "Recognition of Leadership." Mr. Floyd Davis, who teaches Psychology-Sociology at Hobart, talked on "Leadership Problems" and answered questions from the audience which are pertinent. The assembly then broke up into groups to discuss school problems and propose solutions to these problems.

#### Grads Speak

On Tuesday morning Dr. Harold Moody, a 1961 graduate of Hobart High, spoke on "Qualities of a Leader." Mr. Thomas Gallagher, who graduated from Hobart in 1933, gave the group some ideas on "Enthusiasm in Leadership." After a refreshment break, there was a panel discussion on "How to Handle a Juvenile Delinquent." Darrel Regier acted as moderator and Beth Gallagher, Jim Kurech, Ed Hinkle, Marilyn Melander, and Sue Brandenburg were the panel members. For Jester was chairman the skit "Conducting a Meeting," which followed the panel discussion. The teenagers then divided into discussion groups.

At the Tuesday afternoon session Mrs. Ruth Hrgens told "How to Plan and Conduct a Meeting" and a film was shown. "Speech and Voice—Necessities for Leadership" was discussed by Mr. Ellis Hays, a teacher at Hammond Clark High.

#### Adults Invited

All students of the high school and any parents who wish to attend the Leadership seminar are invited. Dr. Donald Mundiger of Valparaiso University spoke on "The Role of the Teenager in World Peace."

During the discussion group period the students discussed such problems as cliques, the Honor System, and how to handle fire drills, air raids and pride in the school. A list of problems for discussion was formed by the School Problems Committee under the direction of Doug Davis.

Marilyn Melander was Program Chairman and arranged for the speakers and food. Harold Moody Zuleck headed the Group Discussion Committee, and Bill Lister was in charge of Physical Arrangements.

### G.A.A. Members Given Awards At Honor Banquet

The annual G.A.A. dinner was held Wednesday, May 10, in the High School cafeteria.

The new officers were installed for the coming year. They are: Cass Zulek, President, Joan Karner, Secretary, Lynn Cook, Vice-President, Joyce Peterson, Sports Head, and Laurie Mike, Publicity Head.

After a post-luck style meal, the guest speaker, Mr. Harold Moody, gave his talk entitled, "Youth Against Communism."

The entertainment for the dinner was presented by the Barber Shop Quartet. The Quartet consisted of Jim Snodgrass, Daryl Ford, Jim Harwood, and Dick Teague.

The dinner was then adjourned by the new president.

### MEMBERS BECOME ACQUAINTED AT STUDENT COUNCIL PARTY

On the evening of Monday, October 2, the thirty-five members of the Student Council assembled in the cafeteria, together with Mr. Bailey and Miss Thompson, sponsors, for the annual Student Council Get-Acquainted Party.

For Jester and Arlette Thompson, Recreation Co-Chairmen proceeded to lead the group in various games. Marilyn Melander, Chairwoman of the Refreshment Committee, together with Lynne Wilson and Miss Thompson served the food to the eager crowd. Gil Melander, Jim Hawke, and Mike Stefankich, sophomore, junior, and senior Class Presidents, respectively, then led their group onto the stage, where a skit was performed for the benefit of the other two classes.

The sophomores did a take-off on "Kids Say the Darndest Things," with Jon Stafford serving as Art Linkletter. Bob Sawinski found himself playing Jack Bailey, as the juniors gave their version of "Queen for a Day."

The seniors, presenting a skit for the last time called their performance "Methods of Cheating" (they do not advocate it), with Ed Hinkle serving as the narrator.

It was interesting to note that

the four officers of the Student Council, Darrel Regier, Jim Goffney, Donna Glad, and Jackie Wright, served as the Class-Up Committee for the party!

### Hobart Journalism Students Attended Seminar At Valpo

The program for the day was organized by journalism teachers and various individuals involved in this field.

Among the activities of the day were student registration, coffee and coffee hour, introductory speech, classes for yearbook and newspaper work, talent show performed by visiting high school students, closing speech, and a tour of the University campus.

### F.T.A. to Attend Oct. Convention

This year, in addition to the regular newspaper staff, the Ho-Hi Life has "Classroom Reporters." The students of Hobart High may not know it, but they are being watched in many of their classes by helpful students who are "hidden reporters." Room is still left for more reporters. Anyone who has a flair for writing and would be interested in writing for the Classroom Column is asked to see Marilyn Melander or Karen Thorsen.

Work and play are both remembered  
While pondering on the past;  
The things they did and fun they had  
Flow endlessly and vast.

The campaigns and homecomings  
Are all remembered here,  
And Voluntary's remembrance  
Are yours to share.

The busy events of these high school days  
Are recalled at last,  
A reminiscence of wonderful years  
With their joys and thrills.

History certainly was made when Donna Glad and Jackie Wright tied for Clerk-Treasurer. Darrel Regier was elected as our new mayor.

The seniors achieved their goal when 99% of them voted, this also set a record.

Campaign managers Ellen Woodruff, and Donna Thompson, and Doug Davis supported the Gold party, while Barb Louis, Sue Brandenburg, and Beth Gallagher were busy with the Purple party.

The parade, led by the band, highlighted the final week of campaigning.

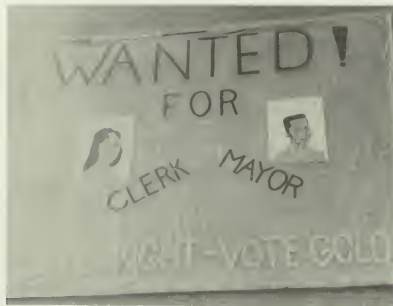

The nominees who gave supporting speeches were Jackie Wright and Darrel Regier, Gold party candidates, and Donna Glad with Jim Goffinny the Purple party candidates.

The campaigns were hard ones and "Mother Nature was no help" as it rained every time whitewashing was done.

Students should be congratulated for working so hard and making the 1961-62 elections a success.

## Mayor and Clerk-Treasurer for '61-'62 Elected

The elections proved that the "Wanted Candidates" were caught, when Darrel and Jackie were elected mayor and clerk-treasurer. Donna Glad was tied with Jackie.

"Oh, don't take it yet, the sun is in my eyes," squints Darrel, just before he and Jackie leave on the parade through town.

Enjoying the view of the parade is Donna Glad, Clerk-Treasurer candidate for the Purple Party. Keeping his eye on the road is Jim Goffiney, Mayor candidate for the Purple Party.

## Campaign Climaxed by Successful Parade

The parade proved to be a big success in just about every way. The longer noon hour was especially fun for the students working on the campaign.

Each party had their own wagon and students cheered their candidates to and from town. The spirit was competitive, but friendly. Waving pom poms and yelling campaign cheers went along with all the other festivities of the traditional parade. As the last banner was picked up the school bell rang. The students raced off to class always to remember the parade as a highlight of the Gold and Purple party campaigns.

"Isn't this exciting?" says Sandy Badgley to Lynne Eikenberry while the Gold wagon is being put into line.

Mother Nature played her part as it turned out to be a beautiful, and sunny day. Jack Phelps, Sue Sable, and Dick Boyd, put finishing touches on the Purple Party's old car. Take a look at that new shine!

Congratulations, Beth! Senior Homecoming Queen of 1961.

"It was fascination I know." This is what Beth Gallagher might have said after she was crowned Homecoming Queen of 1961.

The four candidates were brought out on the field in two white convertibles. In the first car driven by Jim Goffiney were Beth Gallagher and Bobbie Mishler. Following in the second car which was driven by Tony Monquist were Jen Eastwood and Bonnie Kittredge.

Their escorts were Bill Pardus, Steve Rettig, John McKuhn, and Bill Lister. The cheerleaders then presented each candidate with a bouquet of roses. At the Homecoming Dance football escorts were Dan Delich, Bob Graham, George Vavrek, and Jim Grudzinski.

Beforehand activities were the pep session, pep rally, and the traditional bonfire in Brickie Bowl.

## Gallagher Crowned Queen at Homecoming

Enjoying themselves at the after game dance is Senior Homecoming Queen Beth Gallagher and her escort Dan Delich, Senior. Bonnie Kittredge, Senior, and her escort George Vavrek, Senior, are also shown. In the background is Bobbie Mishler, Junior, with escort Jim Grudzinski, Senior.

Shown above is the queen and her court. From left to right is Jennifer Eastwood, senior; Steve Rettig, junior escort; Queen Beth Gallagher; senior and her escort Bill Pardus; senior, Bonnie Kittredge, senior with escort Bill Lister; and Bobbie Mishler, Junior with John McKuen, sophomore.

Joan Wesley leads cheers while co-captains Jim Grudzinski, George Vavrek, and Dan Delich argue among themselves as to who's going to speak first at the traditional bonfire. Senior girls seem to help matters by lending their ideas.

The bonfire ceremony started by doing cheers. Cheerleaders led the large group of students in favorite yells and school songs. Words of encouragement were given to the co-captains and students were all asked to attend the homecoming game, not to forget to bring along their pep and energy. The pep rally and bonfire proved to be a success. We won the homecoming game.

Winning the float contest for the second year in a row were the seniors.

Float building turned out to be a lot of work as usual but the hard work really paid off when the judging was over. Taking top honors for the floats this year was the Senior float, "Batter Em." In second place was the G.A.A. float "Get At 'em Again," while the Language Club followed with "Launch Em." Student Council came fourth saying "Sleigh Em."

This was the year that organizations built the floats.

## First Play of the Year Presented in Nov.

Thanks to the old maid, Kathy Rusak, the poor detective, Joe Donaldson, was not poisoned. Sharing the excitement is Becky Nelson. Onlookers are Carol Johnston and Beth Zimmerman.

The first play of this year, *Bull in a China Shop*, was presented by the drama class under the leadership of Mr. Robert Benson. Joe Donaldson, junior, played the leading role as detective Kramer. His assistants were: Paul Dishno, junior; Jim Larson, junior; Tom Wood, junior; and Randy Caldwell also a junior. These boys served as assistants and stretcher bearers.

The six old maids were: Kathy Rusak, Sue Schroeder, Pat Wheeler, Becky Nelson, Carol Johnston, and Diana Hutfilz. Beth Zimmerman played the part of a reporter.

Beth Zimmerman takes the initiative when it comes to trapping the bachelor, Joe Donaldson.

## "A Peppermint Dream"

"A Peppermint Dream" was the theme chosen by the juniors for their class party. Candy canes were the main decorations and real candy canes were handed out at the beginning of the evening. Childhood memories and habits were also brought up and often laughed at!

Silver Bells was the theme for this year's G.A.A. semi. The Bluetones provided excellent entertainment for the dance. Taking a look at the picture you can tell the students seem to be enjoying themselves.

## Silver Bells Was Theme for G.A.A. Semi

Making sure the refreshments are ready is Miss Reisinger, the sponsor for the G.A.A. The sophomores who were so busy helping were Sue Zickuhr, Linda Howell, and Alon Dickson.

Delicious punch was served along with bell shaped cookies made by the newly installed G.A.A. members.

Decorations for the semi were silver bells and white center pieces, not to mention the gay Christmas trees in the lobby and cafetorium. Colored turning spot lights set off the band.

# Special Defense Program Conducted by Air Force

Hobart High School was a beehive of activity Tuesday afternoon, December 12, 1961, as students prepared for a Defense Program in conjunction with the United States Air Force and General Telephone. This program, the first one of its kind in an American school, consisted of a movie on defense entitled "Seconds for Survival" and a telephone question-answer period between the students and Commander Valencia, USN, NORAD Public Information Officer, a combined defense program of the United States and Canada.

The movie, "Seconds for Survival" was produced by General Telephone and narrated by Raymond Massey. Its theme was the possibility of having seconds or minutes to prepare for survival. The movie lasted 25 minutes and explained the many defense measures of the United States and Canada.

The second part of the program directed at the school by Jack Phares of General Telephone consisted of a direct telephone connection between the high school and the Northern American Air Defense Base at Colorado Springs, Colorado.

Pictured above are three of the people who helped make our Norad convocation possible. Seated to the left is Darrel Rigier, mayor of Hobart High; standing in the center is Jack Phares, Assistant Director of Public Relations of General Telephone; and seated to the right is Mr. James Canfield, Manager of General Telephone. This seconds for survival defense program was the first of its kind ever to be presented in an American school.

"Go to it, girls," says Sandy Badgley who played the part of a hood in the Booster Club skit. The skit included: Lauri Miko, an old man; Donna Moris, a book worm; John Wesley, a crazy player; and Sue Darling, a farmhand. The Girls played the varsity team in a short game, the winners of course were the boys. Referee for the game was Mr. Davis. Announcer for the skit was Diana Glad, varsity cheerleader.

Players, "look to the ceiling," in order to recover the ball. Chuck Hamilton and Bill Lister stand by ready to beat the girls in getting it first. The Mad-Hatters lost, but it was all in fun anyway.

## Mad Hatters Prove to Be Tough Competition

Jim Kursch asks a question to Jack Phares, while nearby students look on. After the defense movie was over students were allowed to ask questions over a microphone to Jack Phares, who related it to Commander Valencia, USN, public information officer of NORAD, at Colorado Springs, Colorado.

# Cass Zulick Reigns at Basketball Homecoming

Pictured to the left is Cassandra Zulick who was chosen by the basketball team to be their queen for the 1962 basketball season. Cassandra was first of all chosen by her class, the seniors, Barb Louis was chosen from her class, the juniors, and Karen Mueller, sophomore, was chosen from her class.

In the second picture all smiles are on Cassandra after just being crowned by captain Bill Lister. Her escort was Dennis Rittenmeyer, senior, next is Junior Barb Louis and her escort Lyle Patterson, junior; sophomore Karen Mueller is also shown with her escort Dennis Brickly, a sophomore.

In the lower picture the queen is pictured with dance escorts and court. Captain Bill Lister is pictured with queen Cassandra Zulick, George Vavrek is pictured with candidate Barb Louis, along with game escort Lyle Patterson, and Karen Mueller is shown with her escort Dennis Brickly. Music for the dance was the juke box. The dance was sponsored by the F.B.L.A. Club.

Standing, from left to right, are: Phil Clement, Lew Wallace; Milan Skora, Lew Wallace; and Dan Kletzing, Highland.

## Hobart High Hosts Leadership Conference

Here students enjoy a 10 minute refreshment break. These are some of the students who attended the Leadership Conference.

Approximately 170 students from Hobart and surrounding area high schools participated in the annual Leadership Conference this year on October 23 and 24.

The students learned leadership techniques through panel discussions, guest speakers, and movies.

Mark Pflughoeft leads discussion with five panelists. The students talked on school problems.

Students met in the Cafeteria and listened to speakers who discussed school problems. Shown here are discussion groups.

The Renegades swing out in Act I of the annual talent show. The members of this dance band are, from left to right, Bill Nicksch, Bob Sowinski, Dwayne Hallman, and Dewey Johnson.

Bobbi Mishler, looking pretty in her black formal, sings "He" during Act I. Singing in "Yohannaire" was the first public performance for Bobbi, who is a popular junior.

## Yohannaire, 1962 Talent

Beach umbrellas and beach balls provide the proper setting for the senior girls' chorus line as they dance in a number entitled "By the Sea." Attired in colorful old-fashioned bathing suits are, from left to right, Susie Mair, Delores Bisch, Cassandra Zulick, Beth Zimmerman, Bonnie Kittredge, Lynda Harter, Laurie Miko, and Kaye Sillery. Absent was Rose Englebert.

Mitch Miller wasn't left out of the Hobart High School talent show, for the boy singers of the high school A Cappella choir fixed everything. Shown above are the singers under the leadership of our own "Mitch Miller," Ed Hinkle. The boys sang Winter Song and Moonlight Bay.

## Show, Unveils Hidden Brick Treasures

Those wonderful chipmunks also came too, and they were great! Mark Pflughoeft was their leader who is David Sville in real life. The chipmunks were: Susie Mair, Alvin, Gretchen Liachy, as Simon, and Peg McLeod as Theodore.

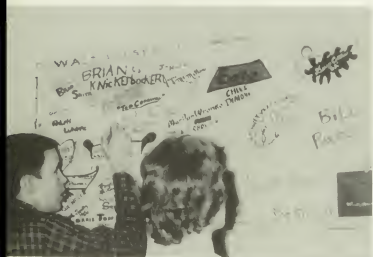

Roger Norris seemed to be doing an excellent job in his excerpt from "Green Pastures." Roger is a sophomore.

Jayne McMellon waits on Daryle Teague, Woody Hinkle, Allen Johnston, Rick Nelson, Dan Delica, and Bob Graham at the snack bar during senior appreciation week. Free cokes for seniors was incentive enough for these students to make sure that the snack bar was well attended this day.

## Seniors Enjoy Long Awaited Privileges

Senior Bob Gard concentrates on carving his name on the Senior Signature Board as an onlooker notices the various signatures. As the crowded board readily indicates, there are few seniors who do not take advantage of this senior privilege.

Senior Appreciation Week underclassmen Jackie Wright and Jim Hawke step aside in the cafeteria line as seniors Sonny Bell and Mike Blachly take advantage of only one of the many privileges granted to seniors during Senior Appreciation week, cutting into the line.

One of the many privileges held by Seniors on Senior week is the Senior Only Drinking Fountain. Taking advantage of this privilege are the following Seniors: Joel St. Germain, Mike Blachy, Bob Gressler, and Ron Elisha.

Bob Graham looks very happy about Senior Appreciation Week especially because this was the day he could come to school late.

This year's Senior Appreciation week was marked by the senior boys chorus line on the lounge chairs reserved for them in the lobby for this festive occasion. Among the honored young men are from left to right Mike Stefanchik, Richard Maleck, Ralph Loupas, Bob Johnson, Bruce Allen, Bob Graham, Jim Coffiney, Ron Elisha, George Vavek.

Pictured above is Senior Peggy Missal who participated in this year's career day program by the teacher in a Home Economics class. Peggy is planning to go on with her preparation for life by studying to be a Home Economics teacher.

## Career Day Serves as Job Introduction

Bill Lister, senior on the left, is being shown by Mary Plummer what he is to do on career day when he works at the Gary National Bank.

Pictured below is Mr. Marion Baily, Hobart High guidance director showing Pat Glynn some of the problems she would encounter if she becomes a Guidance Director.

Picture above is Hobart High School's Marilyn Meilander. Because of her many fine capabilities, she was chosen by her classmates to be mayor of the city on Government Day.

Shown here is Ed Hinkle making a phone call pertaining to his work as Hobart's City Attorney.

## Students Take Over City Government

Pictured here is Mrs. Laura Bracken and Hobart senior, Cass Zulick. Cass is picking up a few pointers on the job of being a Clerk Treasurer. This is the position Cass will hold on Government Day. Cass was elected to this position by her fellow classmates.

## Dances Prove Popular Student Activities

During the Christmas season the art club really did a wonderful job with trying to make people happy.

Young people like little children should be especially happy, and the art club tried to help matters. Their dance rules were simply "bring a gift for any child and pay a quarter."

The dance turned out to be quite a lot of fun, especially when "Old Saint Nick" came to the dance. Mr. Hunt proved to be a wonderful Santa, and the students proved how they enjoyed him when he started handing out candy canes. In the picture are art club members; Linda Smith, Paula James, Sue Sable, Lynne Seipel, and Art Club sponsor Mrs. Cicak.

The G.A.A. semi was a colorful and a much enjoyed dance, as shown to the left. Offsetting the band were colorful lights, not to mention the table decorations and Christmas trees. Pine scented the dance room and if dancers were thirsty delicious punch was served in the lobby.

Juniors danced to the music of the Renegades, who did a wonderful job at their class party.

A Peppermint Dream was the theme, and candy canes were given out before the students entered the dance.

Cookies and punch were served and members of the class served it to classmates who were busy on the dance floor and talking over junior high memories.

Kathy Jaroscak seems to be worrying about the water supply that will be left after Bill Melvin gets through drinking. That's Turnabout for you!

Bob Yoder motions for his "slave" Bobby Mishler, to bring his books. Looks like he has all solids too!

## Students Go All Out for Turn-About

"Don't get it too tight," says Kent Smith to Phyllis Cole who seems to be doing her best with his shoe strings.

Carol Selzer happily opens a door for Lee Will. Boys should remember how nicely they are treated by girls on this special day!

## Brickie Sports Prove Exciting

### BRICKIES TROUCE CROWN POINT 47-13

Brickies of Hobart pounded their way back after losing to Gary Roosevelt by downing Crown Point Bulldogs 47-16 on Friday, October 6, at Brickie Bowl. The homecoming crowd saw the Brickies run their series lead to 22 wins, three losses and one tie, since it first began in 1932.

The Brickies tallied early in the first quarter with Rick Stephens scoring from the 5-yard line after a 17-yard set-up play by Dave Kietzman.

Hobart scored again in the first period. This time Dave Kietzman stormed through a small hole in the line and raced 10 yards for the TD. Kent Smith kicked the extra point.

Jim Grudzinski scored the next Brickie touchdown on a hook pass on the 10. He crossed the goal line carrying two tacklers with him.

Next Ernie Ray scored the first of his three touchdowns. He raced 25 yards over tackle after Ralph Lompas blocked a Bulldog punt. Ray's other two touchdowns came in the last quarter. One a one-yard plunge and the other a 30-yard end run.

Rick Stephens intercepted a Bulldog pass and raced 30 yards for the final TD before the homecoming festivities. Smith added the extra point and made the halftime score Hobart 34 and Crown Point 6.

Vaughn Rice made both Bulldog touchdowns. Rice scored from the Brickie 31 after recovering a Hobart fumble. The second TD came with just eight seconds remaining in the game from Hobart's two-yard line.

The Brickies' record now reads three wins and three losses. Hobart will play host to the Hornets on Lew Wallace in their final home appearance on October 16.

### BRICKIES DOWN WARRIORS 5-1

The Hobart Brickie Baseball Team turned in a fine performance to down the Warriors of Hammond Nov. 5-1 in the Hobart City Ball Park.

Bill Lester, who started and completed the game, scattered three hits and three walks to pace the Brickies in their third win of the season. Bill also won his own game by getting two hits out of three. One of these hits was a double. He also scored one of the Brickies five points.

Also scoring for the Brickie team was right fielder, George Varvek.

### Brickies Place In Track Meet

On a bright, late Spring afternoon, at Mishawaka, Northern Indiana Regionals took place, pitting some of the greatest runners in the state against each other.

Of course, Roosevelt looks like they are on their way to a third state championship.

Roosevelt ace, Rich Galloway, won the 100 and 200 with times of 9.8 and 21.7, respectively.

In the high hurdles, Jim Grudzinski won top honors with a record-breaking time of 14.7 for the Hobart Brickies.

Jim Marier of Hobart emerged victorious from the mile run with a time of 4:30.3 for one of the best timings in the state of Indiana.

Valparaiso scored all their points with their field event ace, Dan Jones, who took first places in the broad jump, also pole vault, and tied in the high jump.

The usual story was the well-balanced scoring of Gary Roosevelt.

### Brickies Pound the Tigers 47-0 In First Meeting

While holding the Fort Wayne Central Tigers to one net yard rushing the Hobart Brickies pounded out 47 points on a rain-soaked Brickie Bowl, on Friday, September 22.

The Brickies evened up the season with a two and two record as a capacity crowd witnessed the playing of Fort Wayne Central for the first time.

Pin-point accuracy by the Brickie passers led to the first two touchdowns. A 25-yard pass to left end Jerry Bielewicz from Rick Stephens was the first

### Brickie harriers over Michigan City

The Brickie cross country team posted their fourth straight victory of the season Tuesday afternoon on the Creamsore Country Club course by defeating the Michigan City Red Devils, 21 to 34. Hobart reserves lost a close match, 26-30.

Leading the Brickie and Red Devil pack of runners over the two-mile jaunt was captain Ber-

nie Claxton who grabbed the early lead and was never headed. His last time was a good 10:09 clocking for his first effort on the Creamsore course this season.

Other varsity Hobart runners to score were John McKuhn, 3rd, Dave Bigler, 4th, Dwight Mathis, 6th, Victor Levan, 8th, Roger McKuhn, 11th, and Eddie

Neill, just recently recovered from the flu, 14th.

The Brickie victory was somewhat clouded after the race when captain Claxton became sick and had to be taken to a doctor. His condition was diagnosed as a flu and bronchial condition.

This Thursday the Brickies meet Valparaiso's un-

### Chandler Sets New Frosh Vault Mark

Several Hobart sixth grade boys made a trip to Calver Military Academy last Tuesday for an indoor track meet.

Nike Cary participated in the Reserve High Jump event and cleared the bar at 5 feet even, to win the event. Jon Stafford won the reserve mile run with an excellent time of 5 minutes and 7 seconds.

One of the outstanding performances of the entire Varsity and Reserve Meet was by 'Skip' Chandler of Hobart, who broke Hobart's Freshman Indoor Pole Vault record of 9 feet 5 inches.

### Hobart Cagers End "Big Bad" Trojan Struck

By Doug James

The "Mighty Trojans" of Chesterton, who they were called by a local sportswriter, ran into five poor, little Hobart Brickies of a former Chesterton coach, Evar Elquist, and lost its gold-plated nine game winning streak.

Bob Smith playing his finest game of the season scored 24 points to lead Hobart to a 59-56 hart-burner on the Brickie home court. John Jamison's five three points with just eight seconds left, iced the game as a late field goal for the Trojans' clever guard, Rich Simmons, was in vain as the game ended.

The score at the half was 36-35 for Chesterton, but Smith Jamison, and Chandler paced the Brickies to make the "big bad" Trojans look like a gang of Hiddy Basketballers as they outscored C.H.S. 18-4.

### WHITING TUMBLER BY BRICKIES, 31-0

In the last meeting of the two teams, the Brickies of Hobart ran away with the Whiting Oilers 31-0, before an over capacity crowd at Brickie Bowl on September 8.

### Hobart Trounces F.W. Tigers 47-0

After a dismal showing against Emerson a week earlier, the Brickies of Hobart hosted the Tigers of Fort Wayne Central last Friday. It was hard to believe that a team could show such a vast turnaround in one week, but the Tigers had 47 points scored against them to prove the change. The defense proved almost impregnable, allowing the Tigers only one yard rushing and 15 yards passing with 2 first downs both obtained late in the game against the second and third teams of Hobart. The Brickies, on the other hand, racked up 17 first downs with 180 yards rushing and 142 yards passing, completing 8 of 11 passes.

Pass Para Off.

As usual, it took the Brickies quite a while to break into the scoring column. With 1:14 left in the first quarter Jerry Bielewicz grabbed a 20 yard pass from Rick Stephens to cap a sustained march of 75 yards. Kent Smith kicked the PAT to give Hobart a 7-0 lead. After the kick-off, Jim Grudzinski pliffed his first pass on the Brickie 45 and returned it 45 yards to the Tiger 10. After a 3 yard gain, Stephens fired a 7 yard strike to Grudzinski for the score, Smith converting for a 14-0 lead with 3 seconds left.

Fast Whistle

In the second period Hobart had two scores called back, one by a holding penalty, and the second because the Brickie backs were too deceptive and caused the referee to blow his whistle. With 5:34 left, the Brickies finally scored as Sam Korva pitched back to Greg Garmong after a valuable reverse and Garmong legged it 14 yards for the TD. Smith's PAT was wide and the score was 20-0.

With 1:37 left in the half, Stephens and Grudzinski again teamed up to score on a 19 yard pass and Smith's kick was good. At the half, the Brickies led 37-0.

In the third period the Brickies scored on a 9 yard pass from Ernie Ray to Grudzinski, and with Smith's point missing, the Brickies led 33-0.

Hobart controlled the Oilers from the opening kickoff as Rick Stephens raced 70 yards where he tripped and fell on the Whiting 20. However, on the next play, a punt was marched down to the Oiler 7, only to lose the ball on another fumble.

It was the second quarter before the Brickies could score. After marching 40 yards Ernie Ray scored on a five-yard run. The second tally came with a little over a minute in the half as Dan Deitch marched down to the one yard line. The halftime score was Hobart 12 and Whiting 0.

Smart football by speedy end Jim Grudzinski led to another Brickie tally. Jim grabbed a fumble by Dan Deitch on the four yard line and ran across for the TD untouched.

The fourth Brickie touchdown came in the last period as Ernie Ray scored on a six-yard reverse. The final six points came when left defensive end Chuck Hamilton snagged an Oiler fumble and raced for a 30 yard TD.

### Claxton Continues To Lead Harriers

#### Into The Chute

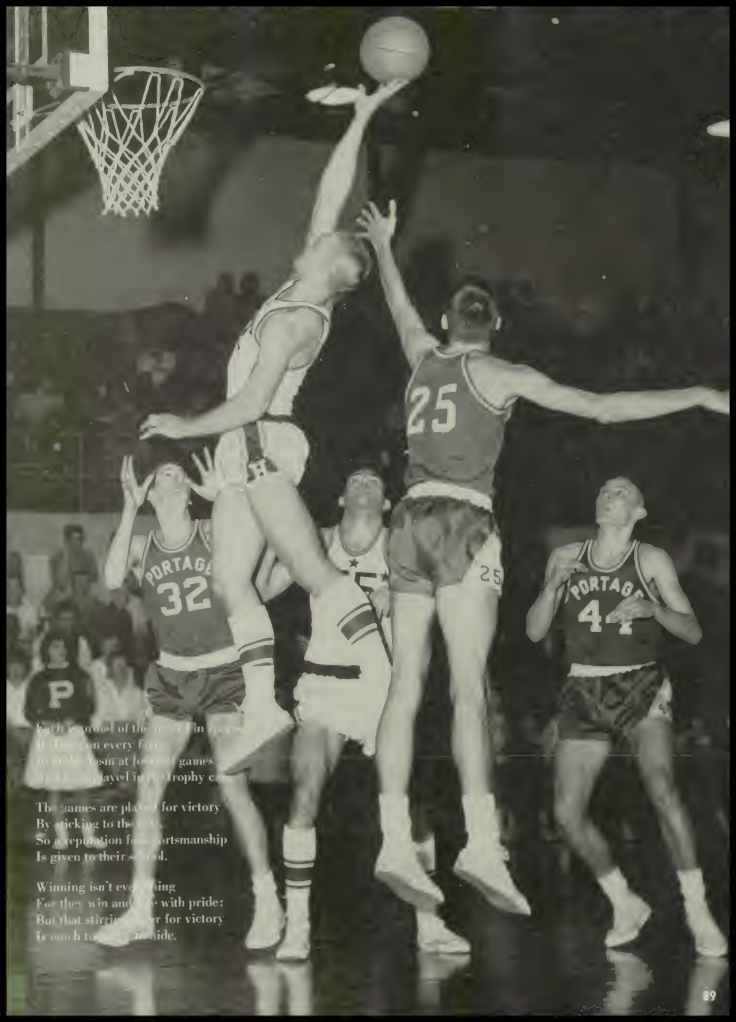

Defending state champion Hobart Harriers, downed a tough Chesterton Trojan team 28 to 21 at Chesterton Park on Tuesday afternoon, September 12.

The Brickies turned in the narrow victory despite the absence of Ed Neill. One of last year's five state champs, came in sixth in the Crown Point meet.

Captain Bertlan Claxton was the individual winner with a time of 10:21 in the two-mile course. Trojans honors went to John Humphrey, who placed second in 10:35.

The top tight Hobart runners finished as follows:

- Bernie Claxton, 3. John McKuhn, 6. Roger McKuhn, 7. Dwight Mathis, 9. Dave Bigler, 10. Mike Hoots, 11. Victor Levan, 13. Harold Ayers.

Each season of the year, in every  
U.S. town, on every foot  
to make a dash at football games.  
In 1940, played in the trophy case.

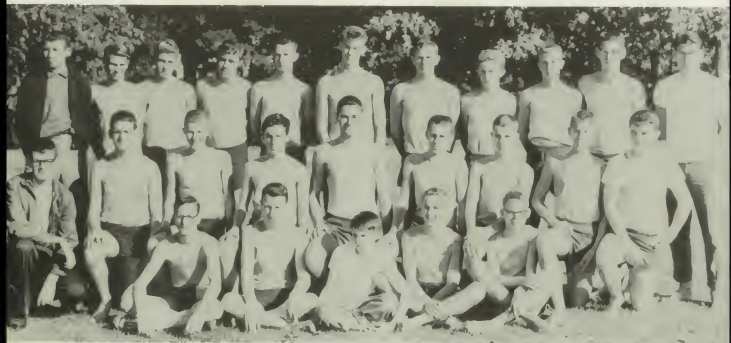

The games are played for victory  
By sticking to the rules.  
So a reputation for sportsmanship  
Is given to their school.

Winning isn't everything  
For they win and lose with pride;  
But that stirring year for victory  
Is much to be treasured inside.

## Brickie Harrier Squad Wins 7 Dual Meets

Dwight Mathis and John McKuhen race for individual honors at a X-Country meet between River Forest, East Chicago, Roosevelt, and Hobart. Dwight finished fourth and John came in fifth.

A little on the young side to defend their State Championship ranking won by the 1960 team, and aided very little by "lady luck," the 1961 Brickie Harrier squad maintained a winning record by taking seven of nine dual meets but failed in a near miss to defend its state championship status by finishing fourth in the sectional instead of in one of the three top qualifying positions needed for the state meet trip.

Copping dual meet victories from Crown Point, Chesterton, Loyola of Chicago, Michigan City, River Forest, East Chicago Roosevelt, and spoiling the unbeaten record of Calumet, the Brickies lost only to Valparaiso and Gary Roosevelt.

When the championship meets got underway which climax the season schedule, the Brickies found themselves near the top but not champions. They finished third in the twenty-five team Hobart Invitational Meet, second in the Shortridge of Indianapolis Invitational Meet and finally fourth in the state qualifying Sectional Meet.

The only teams to defeat the Brickies during the season ended up in the state championship meet and scored well. Valparaiso placed third, Calumet tied for fourth, Gary Roosevelt eighth and Tolleston twelfth.

With only one senior varsity letterman lost by graduation in Victor Levan, the more experienced underclassmen of this season should be in the thick of the battle for state meet honors again. Varsity point scorers in order of their finish rank returning next season are captain Bernie Claxton, John McKuhen, Dave Bigler, Dwight Mathis, Eddie Neill, Roger McKuhen, Mike Hoots, Bill Enslan and Harvel Ayers.

Outstanding reserves of the season included Charles Shaw, Jim Lovall, Gilbert Meilaender, Richard Lundgren, Bob Ward, Dave Laybew and Ivan Heistand. Jon Stafford and Connie Kraft missing from the lineup because of an automobile mishap are also expected back to round out a capably strong team for 1962.

Head Coach Russ Deal discusses the new offensive tactics for the 1961-62 football season with assistant coaches Bill Cope and Don Howell.

To say that the 1961-62 Brickie football season was unusual is a gross understatement. We began the season in August with high hopes and high spirits. We moved into our new dressing room which seemed to us like the Waldorf-Astoria. Because of the size of our boys and the experience they had had of always playing on a winning team, many thought that this year's Brickies were going to win all the marbles.

"Lady Luck," however, was not with us. She showered bad luck on us early when Jon Eickstead broke his collar bone even before practice had begun. The loss of Dennis Rittenmeyer was another bad blow to the once powerful Brickies. With this loss we had to replace all backfield positions, both offensive and defensive. Rick Stephens was hampered all season with back trouble and was never in top physical condition.

Even with these bad breaks, we could have gone on to win all our games. As it was, we won every other game. The high-light of the season was our victory over Michigan City, 15-6. Michigan City was a strong team and this victory proved that our boys could play football. What happened to this same strong team every other week to make them lose, remains to be a mystery. We finished the season with a 5-5 record.

With this unusual season and mediocre record, we were fortunate to have two boys, Evan Hippie and Jim Grudzinski, honored by being named to the All State Team.

The Brickies of 1962 can be stronger if line replacement can be found and return to be one of the powers in the Calumet area as we were in 1956, 57, 58, 59, and 60.

These are the men behind the scenes. They made sure that our 1961-62 football team was in top-notch shape at all times. From left to right are managers Charles Butler, Ron Elisha, Dan Winske, and Phil Wilson.

## Brickies Split Wins and Losses in Football

Jon Eickstead executes a fine defensive play, as he skillfully knocks the ball out of a Lew Wallace player's hand.

Ernie Ray tears away from pursuing Hornets to gain needed yardage for another Brickie touchdown. The Brickie stomped the Tigers 47-0.

Dan Delich and Greg Garmong block out an oncoming Roosevelt Panther as Jon Eickstead prepares to side-step around.

## Hobart Brickies Fight Hard to Win Game

The Brickies might be stopped momentarily but certainly not for good as shown by the score 31-0.

Rick Stephens is met by an oncoming horde of Elkhart Blue Blazers as he charges ahead to get the needed yardage for a first down.

Bringing all spectators to their feet, Jim Grudzinski catches a pass to raise Hobart's score six points.

## Brickie Varsity Players 1961-1962

1962 Varsity Basketball Team. *Front row:* Chuck Hamilton, Bill Lister, Jim Grudzinski, Coach Evar Edquist, Jon Eickstead, Bill Clingan, and Jim Chandler. *Back row:* John VonBerg, Bob Johnston, Rick Stephens, Dave Bigler, Steve Davis, Edd Neil, and Mike Hoots.

The Reserve Team for the 1962 basketball season is, *Front row:* Lois Piepho, Gil Mielaender, Dave Layhew, Coach Fae Trammel, Bob Ward, Ivan Heistand, and John Zonolla. *Back row:* Ralph Kennedy, Dennis Brickley, Skip Chandler, Jim Lovall, John McKuhen, Roger Norris, and Max Reed.

The Hobart Varsity basketball team had a rough start, but proved to play good ball as the season went on. The Brickies won five games and lost fourteen. Games won were River Forest 83-43, Bishop Noll 72-67, Calumet 57-56, Portage 69-62, and East Gary. The team put up a hard fight and came close to winning against Crown Point 64-65, Chesterton 52-54, and Griffith 47-48. Calumet proved to be a big thorn in Hobart's side this year. Playing them three times this season, it was always a struggle. The Warriors came out ahead at the Lake County Tourney and the Sectionals. During the season the Brickies beat the Warriors 57-56.

Leading scorers for the Brickies were Bill Lister, Rick Stephens, and Bill Clingan. Rebounding were controlled by Jim Grudzinski, Bill Lister and Bill Clingan. The Brickies were hampered at the end of the season by the illness of Jim Chandler.

Coach Evar Edquist is losing five seniors, Jim Grudzinski, Rick Stephens, Bill Lister, Bob Johnston, and Jim Chandler. Next year brings back five lettermen and some of Coach Trammel's reserves.

The Calumet Warriors seem to be frozen to the spot while watching Bob Johnston shoot a basket for Hobart.

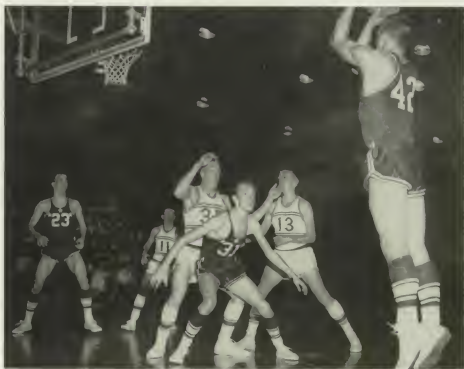

Rick Stephens takes a shot as Bill Clingan, Jon Eickstead and Jim Grudzinski rush in to help him.

## Play Ball

Bill Lister seems to be having a bit of trouble in getting the ball before a Portage player makes it a "tie" ball.

As Edd Neil holds off the opposition, big Jim Grudzinski prepares to sink another field goal for Hobart.

Holding the Griffith team spellbound, Chuck Hamilton sails high into the air to score two points for Hobart.

It seems that Jim Grudzinski is too much for these three Portage Indians as he jumps high into the air and tips the ball in.

## Play Ball

Everyone is standing at attention at the beginning of a Hobart High School basketball game for the "Star Spangled Banner."

Who is going to get this rebound? Jim Grudzinski and Bill Clingan jump to rebound against the opposing team's player.

Jon Eickstead is in good form as he goes in for a layup. Ready to rebound is Jim Grudzinski, 42, and Bill Clingan, 24.

The opposing team stands around watching Bill Clingan rebound for the Brickies.

"Where's the ball?" the players seem to be saying. Bill Lister shoots one of his fade-away jump shots.

Rick Stephans guards the opposing players as John VonBerg runs up to receive a pass from Jon Eickstead.

## Varsity Cheerleaders

Being voted a cheerleader is a great honor, but requires much hard work. The varsity cheerleaders are voted on in the spring of the preceding year that they are to cheer. The reserve cheerleaders are voted on in the fall from the sophomore class. The cheerleaders spend a lot of their own time practicing after school. They get a hard workout at each football and basketball game.

Beth Gallagher has been a varsity cheerleader her junior and senior years of high school. She was a reserve cheerleader her sophomore year. Beth's senior year of cheerleading was hindered early in the basketball season by an accident while cheering. Beth enjoys sewing, traveling, and meeting new friends from other places.

Bonnie Kittredge has been a varsity cheerleader her junior and senior years of high school. She had been a reserve cheerleader her sophomore year. Bonnie has wanted to be a cheerleader ever since she can remember. She cheered in grade school. Among Bonnie's hobbies are bowling and swimming.

Connie Todd was elected a varsity cheerleader her senior year. She is following the Commercial curriculum. Among Connie's favorite subjects are office practice and gym. Connie has wanted to be a cheerleader ever since seventh grade. Her most exciting experience was when she became a cheerleader.

Pictured above are the 1962 Varsity cheerleaders as they end one of their cheers. Doing the splits in the *front row* are Becky Nelson, Cheryl Winston, and Joan Wesley. In the *back row* is Diana Glad, Bonnie Kittredge, Connie Todd, and Barb Louis.

## Hobart Brickie Golfers Tee Off for 1962 Season

Because of poor weather conditions, the Hobart 1962 golf team had a late start. Coach Fae Trammel enthusiastically is looking forward to a successful season. Mike Stefanchik and Ron Elisha, consistent low scorers, make up the nucleus of the team. Other promising clubbers are Ed DeSmith, Bob Wuenn, Bruce Allen, and Fred Ahrens. It is important to remember that in golf the low score is the winning score.

## Brickie Batters to Field

A portion of the Brickies baseball team is showed as they come in to bat. Shown are: Coach Russ Deal, Jim Boatright, No. 20, Dave Matsey No. 4, Bob Graham No. 13, and George Vavrek No. 15.

George Vavrek heading for third base and an unidentified Merrillville player watch a ball hit by one of the Brickies in the game against Merrillville.

Third baseman, Dave Matsey, is shown as he goes after a ball hit to him during the opening Baseball game. The game, played against Merrillville, was won by the Brickies 2-1 in 8 innings.

*From left to right:* Rick Stephens, Dave Matsey, Bob Graham, John Von Berg, and Doug Davis whip the ball around after an out during the Hobart-Merrillville game. The opening game was won by the Brickies 2-1. The winning pitcher was senior Bill Lister. The Brickies gained ahead in the eighth inning and won.

Junior John Von Berg takes a swing at a pitch thrown to him by the Merrillville pitcher in the opening game of the season. It took the Brickies 8 innings to down the Pirates, but they finally won the opener in the bottom of the eighth inning.

Shortstop Rick Stephens fields a ground ball hit to him during the opening game against Merrillville. The Brickies won the opener 2-1.

Junior catcher Jim Boatright lofts a pop-up into the air during the game played against Merrillville. Jim caught the whole game as the Brickies downed the Pirates of Merrillville 2-1 in 8 innings. This was the opening game for the Brickies.

## Hobart Students

Everyone gasps in awe as Steve Fessler somersaults high into the air during the half-time activities of the Hobart-Hammond Morton Game.

Cynthia Boughammer flips over the buck while Sharon Hrapjak spots. These are a few of the many intramural girls who spent their lunch hours in the balcony working out with the gymnastic equipment.

It looks as if Cassandra Zulick is performing a diving stunt as she bends over to touch her toes. Cassandra was one of the five students demonstrating trampoline stunts at the Hobart-Hammond Morton basketball game. A trampoline act has been performed at a basketball game every year since the trampoline was purchased two years ago. But this is the first year girls had been included in the act. Participating in the performance this year were Dick Boyd, Steve Fessler, Jim Johnson, Joan Karner, and Cassandra Zulick. It was sponsored by Mr. Kurth, Athletic Director.

## Kept Active by Intramurals and Athletics

Sue Darling is just about ready to shoot the ball as Linda Benton and Delores Bisch try to stop her, Lynn Cook gets ready for a rebound.

Shown above are some of the gym girls playing cage ball. This sport has grown in popularity this year. It takes a lot of power to hit the over-sized ball over the net. The rules are liberal, but it makes for a game full of fun.

Bill Filter guards Jerry Quinlin as Jerry passes the ball to team-mate Tom Connoway in gym class. The gym classes and intramurals find many boys enjoying basketball during the winter months of the year. A basketball team is chosen from the boys intramurals to play the men teachers in March.

## Senior Float

### SENIOR CLASS FLOAT

#### AND SR. GIRL TRIUMPH

Hobart High's Homecoming celebration couldn't have been a happier one, thanks to the Brickies' 47-12 triumph over the Crown Point Bull Dogs. It was a jubilant night for the seniors, too, as their float with the theme "Batter 'Em" took first place honors, and one of the Senior Queen candidates, Beth Gallagher, received the crown.

Before the game began the winning float was announced. Following the Senior Class, the G.A.A. placed second, the Language Club third, and the Student Council received fourth place. At halftime, with the score 34-0, an anxious crowd awaited the announcement of the queen.

The band presented the second portion of "John and Julia," and then the queen candidates rode out on the float to the litting "Fascination." Beth Gallagher, senior, and Bonnie Kittleridge, senior, rode in a white 1960 Chevrolet driven by Jim Geoffrey. Beth was dressed in a white gown with a taffeta top and a chiffon skirt. She wore blue satin shoes and her dress had a V-shaped blue satin inset. Bonnie's gown was blue embroidery on white nylon.

Roberta Misher, junior, and Jennifer Eastwood, senior, rode in a white 1960 Dodge driven by Tony Malmquist. Roberta wore white nylon with ruffles, and her accessories were pink. Jennifer's dress was orchid nylon-dotted tulle. It had a ruffled top and a bow in the back. All four candidates chose ballerina length formations.

Bonnie, Beth, Jennifer, and Roberta were escorted onto the

field by Bill Lister, Bill Pardus, Steve Rettig, and John McKubben, respectively. Mike Stefankich.

### Juniors Dance To Theme Of Autumn Leaves

Autumn leaves, the senior class party, was held in the school cafeteria Saturday night November 8 from 7:30 till 10:30.

Three girls, Bonnie Kittleridge, Bev VanSolen and Beth Zimmerman, were picked as queen candidates for the dance. Dick Boyd, Dan Delich, and Bill Lister were picked as the king candidates.

During the dance, Bonnie Kittleridge, and Dick Boyd were crowned queen and king by the class president, Ed Hinkle, and by Pam Thompson.

Punch and cookies were served as refreshment to the juniors during the dance.

Music for the evening was furnished by "The Music Masters" and by "The Key Notes" a high school band consisting of Jim Taylor, Jim Harwood, Pat Van Leon, and Marvina Banister.

The four Specs, Bob Graham, Bob Johnson, Dennis Riteiser, and Rick Stephens initiated various records for the party. Decorations for the party were made by a committee of Juniors. They also put up these decorations.

### M. SCHOLARSHIP TEST SCHEDULED

Harold Moody, principal, Hobart senior high, has announced that students who wish to be considered for Merit Scholarships to be awarded in 1963, should plan to take the National Merit Scholarship Qualifying Test on Tuesday, March 6, or Saturday March 10, 1962.

### SOPHS WIN ROTARY CONTEST

Cheryl Robinson, sophomore, and Gilbert Mizander, sophomore, were declared the winners of the annual Rotary Club Speech Contest on Tuesday, December 5. The other finalists were Michele Livovich, Jane Shisabarger, Darrel Regier, and Roger Norris. Each contestant was required to speak from 8-10 minutes on "Nuclear Testing — Good or Evil?" They were judged fifty per cent on delivery. Cheryl is a student of Mrs. Karr, and Gilbert's speech teacher is Mr. Benson.

The two winners will deliver their speeches in front of the student body at a convocation on January 3. They will then compete against other finalists in the regionals for Lake County, which will be held at Hammond. Cheryl will give her speech on January 16 against other girls, and Gilbert will give for another win against the boys on January 22.

Cheryl is active in clubs, among which are the Latin Club and G.A.A. Last year she participated in Sub-Dels and Glee Club. She was Editor of the Jr. High School Newspaper last year, also. She is active in the Freshmantry Church.

Among her hobbies she numbers bowling, ice skating, roller skating, tennis, badminton, and "anything athletic." Cheryl commented, "I try anything!" Although not completely decided on a vocation, she says she would like any type of work connected with the medical profession, such as a lab technician. She favors DePaul among colleges. Her favorite subjects are English, Speech, and Biology.

As for her reaction to winning the Rotary Club Contest "I was speechless. It was like a dream come true."

Gilbert is President of the Sophomore Club this year and is also a Student Council Representative. Last year he headed the Latin Club as their chairman. He is also quite active in Trinity Lutheran Church and holds an office in the Waltham League.

He loves sports and is a starting player on the Junior Varsity Basketball team. In his spare time he enjoys reading. He has maintained a straight "A" average thus far. He also enjoys teaching Sunday School. Gilbert has not chosen a college yet, but has decided to prepare to be a Lutheran pastor. Last year he was chosen as "Outstanding Freshman Boy."

Gilbert stated: "I did not realize how interesting the subject of nuclear testing was until I really began to do some research. I, of course, consider it a great honor to have been chosen as the winner of the Rotary Club Contest."

### Awards Go To Marilyn, Bill

Marilyn Mellander and Bill Lister, senior students, were recipients of the 1962 Hobart Optimist Awards during Youth Week. The winners were announced at the Thanksgiving convocation on Wednesday, November 22. Mr. Gluck, former president of Fifth District Optimist International, presented the trophies which were inscribed with their names to Marilyn and Bill. Fae Jeter and Darrel Regier were runners-up for the award, and they each received a pen and pencil set.

The winners were chosen for this award on the basis of scholarship, leadership, dependability, character, and service to their school and city. Mr. Gluck stated that the Optimists set aside one week each year as Youth Appreciation Week wherein many young people throughout the country are congratulated for their citizenship and the wonderful work they are doing.

Many stars who have helped the Optimists are Lucille Ball, Tab Hunter, Jackie Cooper, Gisele MacKenzie, Art Linkletter, Phil Harris, and many more.

### STUDENTS VISIT DISPLAY;

Mr. Harold Moody, principal of Hobart High, announced on Tuesday, October 31, that the students of Hobart High and the citizens of Hobart would be given the opportunity to observe many of the documents that help make America the great land it is. These documents were displayed in the Freedom Shrine in front of Hobart Senior High on Wednesday, November 1; Thursday, November 2; and Friday, November 3.

### FOUR SENIOR BOYS SCORE HIGH ON THE MERIT SCHOLARSHIP TEST

Principal Harold Moody announced on September 27 that four of the school's students have been given recognition for their achievement in the initial stage of the seventh annual National Merit Scholarship competition.

He said the students were named semifinalists in the 1961-62 program as a result of their outstanding performance on the N.M.S. Qualifying Test. They are Greg Garmon, Dick Greischer, Howard New, and Alton Landrey.

The semifinalist group is composed of the highest scoring students in each state and in the U.S. territories. Each state finalist now moves a step closer to winning a four-year scholarship to the college of his choice. They will take another rigorous examination, the three-hour Scholastic Aptitude Test of the College Entrance Examination Board, to be given in testing centers throughout the nation on December 2, 1962.

Students whose scores on the second test substantiate their performance on the qualifying test are endorsed by their high schools will become finalists in the competition. In past years, more than 97 per cent of the semifinalists have become finalists. These receive a Certificate of Merit in recognition of their performance.

As finalists, students are eligible for scholarship awards bestowed by about 1300 groups, including the N.M.S. Corporation itself. Names of semifinalists are sent to all accredited colleges and universities, and other financial aid sources.

### NEW SOPHOMORES OF HOBART SENIOR HI

For the sophomores this time of year is a period of adjustment. Hobart High's sophomores are no different. The first few weeks of school are confusing, surprising, and sometimes maddening, but always fun-filled. This reporter found a variety of comments when she posed this question to students of the Class of '64.

"As a sophomore, what is your impression of Hobart High? What do you think are its strong points and its weak points?"

Gloria Knecht stated, "I have found the upperclassmen to be most helpful. The teachers are understanding, too. I know from experience, because on the second day of school I spent an entire hour in the wrong history class, and the teacher was very understanding. One thing I noticed at the Pep session was that the sophomores seemed scared to yell their best."

Certainly Helm commented, "It certainly is a lot better here than at the high school. The teachers are all friendly, and the teachers and students alike seem proud of the school. The campus is more fun and gave us more interesting things to do." Marvina LaFaire replied, "It's much more than I expected. I had anticipated the seniors pushing me around, but everyone is nice. The halls are smaller than I thought. I don't like the 70-min-

### CONTEST WINNERS RECITE SPEECHES

Gilbert Mellander and Cheryl Robinson presented their speeches to the student body at a convocation which was held on January 19.

They were the winners in the Rotary Speech Contest this year. The topic of their speeches was "Nuclear Testing." They used their own opinions and convictions in their speeches.

Cheryl will go to Hammond on January 19th where she will compete with students from other schools in the area. Gilbert will go to Chertown on January 22 where he will compete with boys from several schools. If Gil and Cheryl win the contests at Hammond and Chertown, they will be eligible for the state speech contest.

### Caldwell, Livovich Reign

**Gala Class Party**  
"A Peppermint Dream" was the theme the Juniors chose this year for their class party which was held in the cafeteria at Hobart High School on Friday November 10, from 7:30 to 11:00 pm.

Beth Caldwell, and Michele Livovich reigned as king and queen for the dance. Jim Kleckstedt, Jean Wesley, Russ Kraft, and Steve Brandenberg were members of the court. Randy was crowned by Bobbi Misher and Michele by Joe Donaldson, who were last year's sophomores king and queen. Randy and Michele and their court then led off the next dance.

"A Peppermint Dream" was written in large red and white letters on one side of the cafeteria's white candy canes and red and white crêpe paper decorated the rest of the room. The king and queen's crowns were red and white with little peppermint candies on them.

The Benedagos, a school band consisting of Jim Harwood, Dewey Johnson, Bill Niekach, Bob Sowiński, and Jack Hurley, played for the party.

Punch with peppermint ice cream and cookies were served for refreshments.

Charmes for the evening were Mr. and Mrs. Deal, Mr. and Mrs. Livovich, Mr. and Mrs. Brandenberg, Mr. and Mrs. Dexter, Mrs. Rhodes, Mr. and Mrs. Karr, and Mr. and Mrs. Hunt.

Time they will always come and go  
Or they will be forgotten.

As age shall open its web with time  
This Senior year will join the past.

Looking through the last four years  
There's so much to recall:  
The campaign meetings and football games  
They took part in every fall.

All the fun and laughs they've had  
In the minds of each shall tread.  
They'll never forget these wonderful years  
Through the time that lies ahead.

When we need help in Yearbook  
Business helps us out.  
Buying ads for our book  
Is helpful, beyond a doubt.

Getting ads is always work,  
On the other hand it's fun,  
But then again we're always glad  
When the job is finally done.

We like to thank the businesses  
(Their ads are very dear)  
For they help us pay for our annual  
Which means so much in our wonderful year.

what's  
their  
future

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research.

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL.
